5 WAYS TO BUILD A FLEX PACKAGE

While we stage a few full-length works each season, NYCB is at heart a repertory company, with most performances featuring several distinct ballets and a variety of dance styles and musical accompaniment. Some programs have an overarching theme, while others include vastly differing works, each with its own unique flavor. As you consider which performances to include in your flex package (starting with any three performances), take a look at these suggestions to inspire your own selection.

INTRO TO NYCB

Unsure where to start? Consider the following programs featuring ballets by integral NYCB choreographers George Balanchine, Jerome Robbins, Justin Peck, and Alexei Ratmansky, along with a selection of other contemporary dancemakers. Include all six programs in your package for a comprehensive journey through NYCB’s 75-year history.

NEW WORKS

There’s a palpable excitement whenever the curtain is about to rise on the latest choreography. These programs featuring brand new ballets and recent premieres are perfect for contemporary culture seekers.
