Jackie Fanara | HAIR AND MAKEUP ARTISTS

Jackie Fanara, a California girl with a New York City heart, has been working in the beauty and fashion industry for over 12 years. While receiving her Bachelors of Science in Fashion Design from Cal Poly, Pomona in 2007, Jackie began working in LA on commercial work, advertising, music videos, fashion, and film. Building her client base on the east coast, she has solidified herself as an integral team member on all projects, working creatively with art directors, producers, and photographers. As she continues to grow, both personally and professionally, Jackie finds it important now, more than ever in her career, to consult and help people problem solve their beauty needs. Currently Jackie lives, plays, and works in New York City doing hair and makeup, while cultivating a dedicated clientele.

Jackie's work has been featured in editorials for *Vogue*, *Vanity Fair US*, *Vanity Fair Italia*, *New York Magazine*, *New York Post*, *The Cut*, *Good Housekeeping*, *Woman's Day*, and *Solstice*. Her advertising work includes Katy Perry shoes, Aquaitalia, Taryn Rose, Volcom, Range Rover, and Tahari

SHERI TERRY | BEAUTY EXPERT

Sheri Terry is a Fashion Celebrity Makeup Artist and Groomer. Her first exposure to the industry was in front of the camera as both actor and model. Through that experience, she discovered her passion was in the artistry of beauty. During her extensive career as a makeup artist and groomer, Sheri has had the privilege of working with fashion celebrity elite and rock stars. Ever one from Karlie Kloss, Rosario Dawson, Vince Vaughn to Jesse James and Jackie Jerfun Terrler and Sebastian Kim. Her work has been published in worldwide distributed magazines such as American Vogue, Harpers Bazaar and Elle.

In 2014 Sheri was named the official on air spokesperson for Jennifer Aniston's Living Proof haircare brand appearing on QVC regularly. Applying her excitement and knowledge of the beauty industry, combined with her on camera experience, transitioning to national on-air spokesperson was a natural progression. She has also consulted on marketing strategies, product development and launch cycles for numerous brands.

DAVID LOPEZ | HAIR STYLIST

David Lopez is a top fashion and celebrity hair stylist based out of New York City. David's career standouts were recent campaigns; XOXO Campaign with Chrissy Teigen and Calypso's Campaign with Nadine Leopold. David is also the official on-air spokesperson for T3 hairtools appearing on QVC regularly.

After living in Puerto Rico, Italy and Germany, he learned at an early age to appreciate the beauty of different cultures and hair types. Equally comfortable in front of the camera as he is behind the scenes David also provides commentary on today's hottest styles and dishes out style secrets in a variety of media outlets including; models.com, Next Models Blog, Warner Brothers, The Fashion Spot, Glamour.com, Essence and WWD.

Traveling all over the country, David is known on set as being creative and always enthusiastic with an infectious passion for innovation.

NAHEED HADJISOFFI | FASHION STYLIST

Naheed is a Fashion Stylist living and working in New York City. She began her career in 2009 as an in house stylist at the venerable Neiman Marcus in Dallas. There she gained an appreciation for style and developed a refined palette and passion for dressing. After almost two years she moved to Seattle as an in-house stylist at Nordstrom where she honed her skills on a daily basis. This training at two of the nations best department stores gave Naheed the eye and ability of an efficient and highly trained stylist which she brought to New York in 2013.

Now, as a freelance artist with Next, Naheed brings a unique blend of her own personal taste level as well as a vast knowledge of current trends and design aesthetics to every job. Her ability to work with many different lifestyles and clients makes her a dynamic and highly sought after asset to any shoot. She is able to aptly balance creativity and a modern sensibility with strong technical skills and a deep understanding of fit and silhouette. Some of her clients include; Nordstrom, Lord & Taylor, Saks Fifth Avenue, Macys, Full Beauty Brands as well as magazines editorial styling.

LYNN WOJTON RN | ANTI AGING SPECIALIST

Lynn Wojton, R.N. is a New York City based Cosmetic Nurse Injector & Laser Expert specializing in anti-aging procedures on both the face and body. She is recognized for her ability to provide treatments tailored to each and every patient's features and structure to achieve their aesthetic desires. Lynn's ability to maintain a youthful balance provides natural results while offering patients a relaxed calm when in her care.

Lynn Wojton is recognized for her expertise in Ultherapy treatments on both the face and body. As a Senior Clinical Educator for Merz, she is sought out for her expertise to provide training for other medical providers throughout the country. She is also a Master Trainer for Allergan, the makers of Botox and Juvederm where she teaches medical providers how to use a combination of dermal fillers and neurotoxin treatments such as Botox to rejuvenate and restore the contours of the face and body.

Nurse Lynn seeks out the most advanced state of the art technology. Offering a myriad of treatment options, including laser, ultrasound, and radio frequency devices, she is able to provide the highest level of care for each patient. She continues to engage in expert level trainings to further her knowledge and offer the most advanced techniques with the best possible outcomes. Lynn Wojton has been intimately involved in the field of both plastic and reconstructive surgery as well as dermatology for over 10 years. She believes that truly understanding her patient's aesthetic goals is the first step to achieving happiness. The consultation process and pre-treatment discussion is an integral part of every consultation and treatment performed by Lynn. She strives to give her patients the ultimate combination of expertise, time, conscious consideration of all aspects of care as well as her innate artistry. Every one of her patients knows that she is fully invested in their care from beginning to end.
