Who is Myles O'Neal?
I don't really like to describe myself. I feel like I give people a pre-judgment of a person. But, I would say I'm just a straight, nice, like usually one might think. I'm like a chill, laid-back person, which is true in a way. But I also enjoy music, comics, books, play video games, and watch Game Of Thrones conspiracy theories on YouTube.

What are your aspirations outside of working in fashion?
Well I told my school for business outside of modeling, I think it's good for everyone to have some type of education. I'm also working in licensing and the creation of my brand. So that, that makes me dream of opening my own company.

How do you feel about the fact you're working in the fashion industry?

Both. My parents support me and my siblings in whatever we want to do. They just want us to be happy and progressive. I feel like in the outside world you just imagine I would be a basketball player and that my parents trained me to be an athlete. But they really just have us support in finding the things we're good at and then showing some kind of dedication towards pursuing that dream.

What's your favorite moment working for Dolce & Gabanna?
That's a hard question, um, I can barely pin it down to one particular moment we all had. But every time I work for Dolce & Gabanna, I always look forward to the after party and seeing all my friends who made whatever those shows, it's hard to get everyone together in one place where we can all just chill and have fun.

Describe your personal style?
Again, I don't really like to describe myself as anything. I just have a free style dressing. Some days I wear classic clothes with loads and other days I'll dress in streetwear style. I don't put any boundaries on what I wear. I just want to be fly.

If you could raid anyone's wardrobe, whose would it be?
Wow. That's the hardest question I've been asked. Damn, I'd probably have to fill in on Higo or Anja Rooyoo. Like they have the best pieces I've ever seen. I'll be on Google for hours just trying to find where to find some of the clothes they wear.

Who are your role models in the industry?
I don't really have any modeling role models. I try to be my own person. If you follow me on what someone else is doing then it's show in my work. But fashion, I'd have to say Pharrell, Ye, Radio, Higo, and that's more. Just can't remember.

Who is your favorite designer/brand at the moment?
My favorite designer is Raf Simons while my favorite brand is Maison Martin Margiela.

What designer/brand would you like to work for in the near future?
Raf Simons, Fendi, Christian Dior, Maison Martin Margiela, Off-White, and YSL, to name a few.

Who do you follow on Insta?
My family, friends, and anyone that I follow. instagram.com/rygodcones!

What superpower would you like to have and why?
I would want to be the Black Panther.

If you were an animal, what would you be?
A wolf, like Avenged

What is your favorite way of spending your downtime?
I like playing video games, reading comics, spend time with my family, shop, and eat new foods.

If you were stranded on a desert island, what 5 items would you take with you?
Pod with every song ever made on it, Water filter, fire starter, a Michale and some oil.

Who is on the guest list for your ideal dinner party?
I'm going to assume this is dead or alive. 2 Pac, LeBron James, Tom Brady, Olivia Wilde, Martin Luther King, Angelina Jolie, Stanley Kubrick, Jimi Hendricks, The entire Wu Tang, A Tribe Called Quest, and Kanye.

What's on your playlist?
I'm reading his off my Apple Music playlist. I got Sheck Wes, Still Miss The Summer Girl, 5000 BREEZE, Summertime, Thug Life, 03 Greedo, Young Nudy, Pay Day Cardi, Jaden, XXLertas and, Mike Shin, Budz, Addo, and Chief Keef.

What song or album could be the soundtrack to your life and why?
Passion, Pain, And Demons (Skye) by Kid Cudi. That album is just so heart-breaking and empowering. It shows me how someone can come from such a dark place and make it through. It's such a great album.

What three items could you watch over and over again?
A Clockwork Orange, Superbad, and Scarface.

What was your life goal aged 10?
I was young, I used to want to be an architect. It was so random.

What are your career plans this year?
I just started working in fashion. I just want to keep working with new brands. And I want to finally get my first big campaign. That's all I ever really wanted in this industry is a big campaign for a designer brand.
