ROBERT IRSAY

President and Treasurer

On February 26, 1980, Robert Irsay brought to realization a long awaited dream of the Baltimore Colts, for it was on that date that the formal dedication of the Colts new five million dollar office/training complex was held.

In attendance were many notable dignitaries from City, State and County government. Commissioner Pete Rozelle represented the National Football League and was one of the key note speakers. Both the guest list and the complex were impressive but no one enjoyed the day

of ceremonies more than the Colts owner.

"This building is a symbol of our dedication to bring winning football back to our fans in Baltimore. This facility is second to none in the NFL," stated Irsay at the dedication, "and we want our football team to match the standards set by this building."

Irsay became owner of the Colts on July 26, 1976, when he traded his recently acquired Los Angeles Rams to Carroll Rosenbloom for the Baltimore franchise. Irsay had purchased the Rams from the estate of the late Dan Reeves.

Irsay was born on March 5, 1923, in Chicago's northern "Bucktown" section. He worked his way through the University of Illinois where he earned a Bachelor of Science degree in mechanical engineering. While attending Illinois, he was an Illini football teammate of former Colt Alex Agase.

After his graduation, he served from 1941 to 1945 in the United States Marine Corps as a member of the First and Fourth Divisions. He had obtained the rank of lieutenant at the time of his discharge.

During the years following his discharge from the service, he worked for a ventilation company in Chicago until 1952.

Starting with \$800 borrowed from his wife Harriet's savings account, he formed The Robert Irsay Company of Skokie, Illinois and built it into one of the largest and most respected heating, air conditioning and ventilating companies in the world. During its twenty plus years, The Robert Irsay Company completed contracts on some of the largest buildings in the famed Chicago "Loop." The company also includes Cobo Arena in Detroit, Disney World in Orlando and countless commercial and residential projects among its achievements.

In 1971, Irsay sold his company to a company listed on the New York Stock Exchange. He remained associated with the firm until 1978 when he formed Colt Construction and Development Company and its affiliate Colt Developers Co., diversified construction and development companies, with offices in Baltimore, Los Angeles, Denver and Chicago. These companies were responsible for the construction of the Colt complex.

His success in the business world has enabled him to make significant contributions of time and money to many charitable organizations. A strong supporter of the Colts Corrals, he has contributed heavily to their charities as well as to the Stritch School of Medicine at Loyola University. One of his most recent contributions was a gift to the Baltimore Police Youth Clubs. For his community work in Baltimore, he was honored by the Eastside Athletic Club as their "1978 Man of the Year." He is a member of the Executive Committee of NFL Properties, which dedicates a majority of its earnings to NFL Charities.

Irsay and his wife, Harriet, have two sons, Tom (26) and Jim (21), a junior at Southern Methodist University.

RICHARD SZYMANSKI

Executive Vice President and General Manager

Dick Szymanski is entering his fourth season as Executive Vice President and General Manager of the Baltimore Colts. His association with the team however began 25 years ago when "Sizzy" was the Colts second round selection in the 1955 college draft. Over the past two decades of his association with the Colts he has been: a player; a coach; a member of the Personnel Department; and, effective January 25th, 1977 the General Manager.

The Toledo, Ohio native played on three NFL championship teams (1958, 1959, 1968). At the end of his rookie season in 1955, he made the first of his three appearances in the NFL Pro Bowl (1955, 1962, 1964). During his 13 year career, he played both center and linebacker. In 1977, he was honored as the starting center on the Colts Silver Anniversary team.

Following the Colts Super Bowl appearance in 1969, Szymanski joined the staff of the Colts Personnel Department. In 1973, he was named Assistant Personnel Director and one year later was named Director of Pro Personnel. It was also during that year 1974, that he returned to the field as offensive line coach under Howard Schnellenberger.

A four year starter at Notre Dame, he played both center and linebacker for Irish coaches Frank Leahy and Terry Brennan. At the end of his senior year, he started at center for the College All-Star team that defeated the Cleveland Browns 30-27 in the Chicago Tribune Charities game. Later that year, he earned All-Pro honors during his rookie season.

Szymanski and his wife, Patricia Ann, live in Lutherville with their two children, Debra Ann and Michael Patrick. He was recently named to Who's Who.

ERNIE ACCORSI

Assistant General Manager

Ernie Accorsi is entering his fourth season as Assistant General Manager of the Colts. Included among his responsibilities in this post are: participating in negotiation of player contracts; serving as a liaison with the NFL; and, assisting in policymaking decisions involving all aspects of the organization. Prior to rejoining the Colt organization in January of '77, he served two years on the staff of Commissioner Pete Rozelle as Assistant to the President of the National Football Conference. In this position, he

directed the administrative details of the conference. Before taking the NFL job in New York, Accorsi served as the Colts Public Relations Director from '70 until '75. It was during this time that he earned the reputation as being one of the finest PR Directors in the NFL.

Before joining the Colts, Accorsi worked as a sportswriter for the Charlotte News, the Baltimore Evening Sun and the Philadelphia Inquirer. He has also served as Director of Information for St. Joseph's College and as Assist. SID at Penn State. He is a graduate of Wake Forest University.

MIKE MCCORMACK HEAD COACH

Mike McCormack brings to Baltimore over 25 years of NFL experience as a player and coach. He assumed the Colts reins after spending the last four seasons as the offensive line coach of the Cincinnati Bengals.

McCormack was a member of the Dallas Texans squad when its franchise was awarded to the City of Baltimore on January 23, 1953. However, Baltimore football fans had to wait 27 years before they could see him in Colt colors, since in March of 1953, McCormack and four of his teammates (Don Colo, John Petibon, Hershel Forrester and Tom Catlin) were traded to Cleveland for 10 Browns in one of the largest trades in NFL history. Don Shula, Bert Rechichar and Art Spinney were among the players acquired from the Browns.

A number one draft pick in 1951 from the University of Kansas, he played ten seasons in the NFL. Drafted by the New York Yanks, he played one season at Yankee Stadium before serving two years in the Army and missing the 1952 and 1953 seasons. During that time, the Yanks moved to Dallas and played one season before moving to Baltimore in 1953. It was during his service hitch that Colt General Manager Don Kellest traded him to the Browns.

In Cleveland, McCormack earned a reputation as being one of the finest offensive tackles in the game. Six times he was named to the Pro-Bowl game. During his nine seasons with the Browns, he played in three NFL Championship games, winning the NFL title twice, in 1954 and 1955. He retired as a player in 1962.

Following his retirement, he returned to his hometown of Kansas City, Kansas where he started a very successful career in insurance. While in KC, he was active in a project that brought professional football to that City.

He returned to football in 1966 when Otto Graham, his former teammate, offered him a spot on the coaching staff of the Washington Redskins working with the offensive line. He remained in Washington until 1972. During that six year period, he coached under Graham, Bill Austin, the late Vince Lombardi and George Allen.

In 1973 he became head coach of the Philadelphia Eagles. In three seasons with the Eagles, he recorded a 16-25-1 record.

After his tenure with the Eagles, he joined the staff of the former Cleveland Browns coach, Paul Brown, in Cincinnati.

Born in Chicago, Illinois on June 21, 1930, McCormack was raised in Kansas City, Missouri. He attended De La Salle High School where he starred in both football and basketball and the University of Kansas, where he was an All Big 7 selection at guard and tackle. After his senior season, he played in the 1951 East-West All Star game and served as captain of the West squad. He was the starting right tackle in the College All Star Game against the 1950 World Champion Cleveland Browns.

Selected in the first round of the 1955 college draft by the Philadelphia Eagles, he played tight end for the Eagles for five years (1955-59). He was traded to the Dallas Cowboys where he started at tight end for two years before being traded to Baltimore. HISTORY OF THE COLTS

Professional football came to the city of Baltimore when it was awarded a franchise in the All-America Football Conference on December 28, 1946. Bob Rodenberg headed a purchasing group which acquired the bankrupt Miami Seahawks and after a contest among the Baltimore fans, won by Charles Evans of Middle River, Maryland, the team was renamed the "Colts."

On September 7, 1947, wearing green and silver uniforms, the Colts under head coach Cecil Isbell won their initial AAFC game, 16-7, over the Brooklyn Dodgers. The team concluded its inaugural season before a record Baltimore crowd of 51,583 losing to the New York Yankees, 21-7. The Colts finished the year with a 2-11-1 record good for a fourth place finish in the Eastern Division.

Baltimore completed the 1948 season with a 7-8 record, tying the Buffalo Bills for the division title. The Colts compiled a 1-11 slate in 1949. The All-America Football Conference and the National Football League merged in 1950 and the Colts became a member of the NFL. After posting a 1-11 record for the second consecutive year, the franchise was dissolved by the league on January 18, 1951 because of its failing financial condition.

After two full seasons without professional football, the people of Baltimore were challenged by NFL Commissioner Bert Bell in December of 1952 to purchase 15,000 season tickets within six weeks in order to re-enter the NFL. The ticket drive was initiated on December 8, 1952 and the 15,000 ticket quota was attained in four weeks and three days.

On January 23, 1953, under the principle ownership of Carroll Rosenbloom, Baltimore was awarded the NFL's Dallas Texan franchise. The Baltimore team continued to use the name "Colts" and inherited the blue and white team colors worn by the Texans.

Before their first NFL season, the "new" Baltimore Colts engineered one of the biggest trades in sports history. In a deal with the Cleveland Browns involving 15 players, Baltimore received 10 Browns in exchange for 5 Colts. Among the players who came to Baltimore in the deal were Don Shula, Bert Rechichar, Carl Taseff and Art Spinney. These players helped the Colts open the 1953 NFL season with a 13-9 upset of the Chicago Bears in a game where Bert Rechichar set a then NFL record with a 56 yard field goal.

In 1954, Baltimore hired Weeb Ewbank as head coach. Ewbank would guide the Colts for the next nine seasons (the longest tenure of any Colt head coach) and lead the club to its first divisional and World Championships.

On November 30, 1958, the Colts clinched their first Western Division title with a 35-27 win over San Francisco before a record home sellout crowd of 57,557. Four weeks later, Baltimore won its first World Championship, downing the New York Giants, 23-17, in the fabled "sudden-death" overtime contest at Yankee Stadium. The Colts repeated as champions in 1959, clinching their second Western Division crown and defeating the Giants, 31-16 in Baltimore for the World Title.

In January 1963, Don Shula replaced Weeb Ewbank as the team's third head coach since 1953. During the 1963 campaign, quarterback John Unitas led the Colt offense to eight team records and set a then NFL individual passing mark of 237 completions. The Colts won a club record eleven consecutive games in 1964, enroute to clinching their third Western Conference title and first under Shula. During that campaign, Raymond Berry caught his 506th career pass and Lenny Moore scored 20 touchdowns, both NFL records at the time. The following year,

Baltimore tied Green Bay for the Western Conference title. With halfback Tom Matte quarterbacking the club because of injuries to John Unitas and Gary Cuozzo, the Colts lost a controversial 13-10 "sudden-death" playoff contest to the Packers.

Under Shula, Baltimore made its first Super Bowl appearance in 1968. The club finished first in the Coastal Division with a 13-1 mark then defeated Minnesota, 24-14, in the Western Conference Championship game and blanked Cleveland, 34-0, for the NFL Championship. The team went on to face the American Football League Champion New York Jets in Super Bowl III, losing a 16-7 upset.

In May of 1969, the NFL merged with the AFL and Baltimore, Pittsburgh and Cleveland joined the old AFL teams to form the American Football Conference of the NFL. For the 1970 season, the Colts were situated in the Eastern Division of the AFC and on September 20, the club won its first AFC game, 16-14 over San Diego. In mid-December, Baltimore clinched its first Eastern Division Championship with a 20-14 win at Buffalo, then defeated Cincinnati and Oakland in the playoffs to win the AFC Championship. On January 17, 1971, the Colts defeated the Dallas Cowboys in Super Bowl V, 16-13, on Jim O'Brien's 32-yard field goal with five seconds remaining in the game.

In July, 1972, the Colts came under new ownership as Robert Irsay acquired the club from Carroll Rosenbloom in exchange for the Los Angeles Rams.

In 1974, two young Colt stars established NFL records as runningback Lydell Mitchell carried the ball 40 times against the New York Jets at Shea Stadium and quarterback Bert Jones completed 17 consecutive passes against the same Jet club later in the season. Mitchell set another mark that season, winning the league pass receiving title with 72 receptions.

In 1975, Mitchell would continue his record-setting pace by becoming the first runningback in Colt history to rush for 1,000 yards, gaining 1,193 yards on 289 carries.

After posting a 2-12 record in 1974, Baltimore's fortunes began to change with the hiring of Ted Marchibroda as head coach in February, 1975. Marchibroda led the Colts to three consecutive Eastern Division titles before posting back-to-back 5-11 seasons in 1978-79.

On January 16, 1980, the Colts named Mike McCormack to replace Marchibroda as head coach. In keeping with a spirit of renewal, and rededication, the club moved its headquarters to a new \$5 million office/training complex in Owings Mills, Maryland.

In 27 years of National Football League competition, the Colts have posted a 216-161-6 record, including three World Championships and ten Conference or Divisional titles. Since 1958, Baltimore has won 183 games, more than any team in the NFL for that 22 year period.

The success of the Baltimore franchise is exemplified by the number of Colts who have been inducted into the Pro Football Hall of Fame. A total of six players have been selected for enshrinement including Raymond Berry, Art Donovan, Gino Marchetti, Lenny Moore, Jim Parker, John Unitas and head coach Weeb Ewbank.

His NFL records include most games with 300 yards or more passing (26), most seasons leading the league in touchdown passes (4) and his mark of most consecutive games with a TD pass (47) is a feat that rivals Joe DiMaggio's 56 game hitting streak.

He ended his career ranked number one in NFL history in five career categories: most passes attempted (5,186), most passes completed (2,830), most yards gained passing (40,239), most seasons 3,000 yards or more passing (3) and most touchdown passes (290).

He owns a Super Bowl record for the longest TD pass completing a 75 yarder in Super Bowl V to John Mackey. Holds NFL championship records for highest career completion percentage (62.9) and most yards gained in championship play (1,177).

In his 17 seasons with the Colts, he established 22 records. During his stay in Baltimore, Unitas was named the NFL's Most Valuable Player three times and played in 10 Pro Bowls, the most ever by a Colt. He was 5 times named All-Pro.

With Unitas calling signals, the Colts won World Championships in 1958 and 1959 and the Super Bowl title in 1970.

Unitas opened his quarterbacking career with the Colts throwing an interception for a TD to J.C. Caroline of the Bears on October 21, 1956. He ended his career with the Colts by throwing a TD to Eddie Hinton on December 3, 1972. Between those two passes he provided an entire generation of football fans with memories and moments that they will never forget.

CLEVELAND 27, BALTIMORE 0—Both teams drew blanks in the first half but the Browns nailed down the World Championship with a 17-point third quarter. Quarterback Frank Ryan and fullback Jim Brown made the Cleveland attack click, as it rolled up 20 first downs to Baltimore's 11 and outgained the Colts, 339 to 171 yards. Ryan completed 11 of 18 passes for 206 yards and three touchdowns—all to end Gary Collins from distances of 18, 42 and 51 yards, while the brilliant Brown bulled for 114 yards on 27 shots as Cleveland controlled the ball. GREEN BAY 13, BALTIMORE 10—A courageous effort by the undermanned Colts was doomed by a pair of Don Chandler field goals—one with 1:58 remaining from 22 yards to tie the score and a second of 25 yards to conclude 13:39 of "sudden-death" action. The Colts had jumped ahead 7-0, after 21 seconds of play when Don Shinnick scooped up Bill Anderson's fumble and truded 25 yards to the end zone. They protected their edge tenaciously until the finish as Tom Matte went the route at quarterback, rushing for 57 yards and passing for 40. Zeke Bratkowski, subbing for the injured Bart Starr, completed 22 of 39 aerials for 248 yards. The Packers ran 80 plays to the Colts' 59 and led in first downs, 23-9. Attendance was 50,484.

NFL PLAYOFF
DEC. 22, 1968 BALTIMORE MEMORIAL STADIUM

BALTIMORE 24, MINNESOTA 14—It was a cold, rainy day when the Colts tucked away the Western Conference championship of the National Football League. Just as they had done earlier in the season, the Vikings provided some uncomfortable moments after the Colts managed to obtain a big lead. It wasn't until late in the first half that the Colts were able to nab a 7-0 lead on Earl Morrall's pass to Tom Mitchell after Willie Richardson's diving catch of a 33-yard aerial put the ball at the three. John Mackey's touchdown reception and Mike Curtis' 60-yard return of a fumble made it 21-0 after three quarters. Viking quarterback Joe Kapp refused to give up and fired TD passes to Bill Martin and Bill Brown before time ran out on him. Attendance was 60,238.

NEW YORK JETS 16, BALTIMORE 7—At Miami Orange Bowl Stadium, attendance 75,337. Jets' quarterback Joe Namath "guaranteed" victory on the Thursday before the game, then went out and led the AFL to its first Super Bowl victory over a Baltimore team that had lost one of 16 games all season. Namath, chosen the outstanding player, completed 17 of 28 passes for 206 yards and directed a steady attack that dominated the NFL champions after the Jet defense had intercepted Colt quarterback Earl Morrall three times in the first half. The Jets had 337 total yards, including 121 yards rushing by Matt Snell. John Unitas, who had missed most of the season with a sore elbow, came off the bench and led Baltimore to its only touchdown late in the fourth quarter after New York led 16-0.

BALTIMORE 17, CINCINNATI 0—Attendance 51,127. John Unitas connected with TD passes to Roy Jefferson and Ed Hinton in the first and fourth quarters and led the Colts into the AFC title game by defeating Cincinnati. The Baltimore defense came through on a cold, windy day and limited Cincinnati to 63 yards rushing and 76 yards passing. Norm Bulaich, Colts' rookie rusher, picked up 116 yards on 25 carries. Jim O'Brien, Colts' rookie kicker and leading scorer, connected with a 44-yard FG, missed one from the same distance. A 49-yard FG try by Horst Muhlmann was blocked by Ray May. Mike Curtis, Colts' middle linebacker, made the game's only interception, picking off one of Virgil Carter's fourth-period passes, to set up an eventual final Colt score.

BALTIMORE 27, OAKLAND 17—At Memorial Stadium, Baltimore, Md., attendance 56,368. Johnny Unitas' passing and play calling, and the running of rookie Norm Bulaich, powered the Colts to the first AFC Championship. Bulaich scored twice and Unitas picked up 245 yards on 11 completions, with his key one coming in the fourth quarter on a 68-yard touchdown reception by Ray Perkins out of a formation of four wide receivers. George Blanda (who at 43 became the oldest player to perform in a title game when he replaced injured Daryle Lamonica in the second period) threw TD passes to Fred Biletnikoff and Warren Wells, but was intercepted three times. Ed Hinton caught five passes for the Colts for 115 yards.

SUPER BOWL V
JAN. 17, 1971 MIAMI ORANGE BOWL

BALTIMORE 16, DALLAS 13—At Miami Orange Bowl Stadium, attendance 79,204. Colts' rookie Jim O'Brien climaxed one of the zaniest professional football games ever played by lofting a 32-yard field goal through the Orange Bowl uprights with five seconds left in regulation time to give Baltimore a 16-13 Super Bowl win. The brutal defensive struggle resulted in 11 turnovers, which prevented a fluid, artistic performance but contributed to the drama of the contest. Dallas nearly put the game away early in the third period when, leading 13-6, the Cowboys recovered Jim Duncan's fumble on the 2nd half kickoff and zipped to the Colts' two in five plays. Duane Thomas, however, fumbled on the next play. Rick Volk provided Baltimore with the opportunity to tie halfway through the fourth period when he intercepted Craig Morton on the Dallas 33 and returned it to the three. Tom Nowatzke punctured into the end zone and after O'Brien's PAT it was 13-13. Mike Curtis intercepted another Morton pass on the Dallas 41 in the final minute and ran it back to the 28. The Colts stopped the clock with nine seconds left in the game and O'Brien made history. Morton's desperation pass on the final play of the game was intercepted by Jerry Logan.

DEC. 26, 1971 CLEVELAND STADIUM

BALTIMORE 20, CLEVELAND 3—Attendance 74,082. Don Nottingham, playing for the injured Norm Bulaich, scored two TDs and rushed for 92 yards while Baltimore's strong defense dominated play in a 20-3 Colt victory over the Cleveland Browns that sent Baltimore into the AFC finals. Jim O'Brien added two field goals for the Colts and Don Cockroft, who had two kicks blocked by Bubba Smith, produced the Brown's only points. Rick Volk intercepted two of Bill Nelsen's passes and Charlie Stukes picked off a third. John Unitas went all the way, blending the strong running of Nottingham with passes to his favorite target, tight end Tom Mitchell, who caught 5 for 73 yards.

AFC CHAMPIONSHIP
JAN. 2, 1972 MIAMI ORANGE BOWL

MIAMI 21, BALTIMORE 0—At Orange Bowl, attendance 75,629. The Colts, playing without their starting running backs Norm Bulaich and Tom Matte, still managed to compile 302 total yards to Miami's 286 but were damaged by the Dolphins' big plays—Bob Griese to Paul Warfield 75-yard pass for TD in first period and Dick Anderson's 62-yard interception return for a TD in the third quarter. Larry Csonka carried five yards to a fourth quarter touchdown for Miami. John Unitas completed 20 of 36 passes for 224 yards but Colts were shutout for the first time since Dec. 5, 1965 (0-13 by Chicago Bears). Another big play for Miami was stopping Colts fourth and one attempt at Dolphins' nine-yard line when lead was 7-0.

DEC. 27, 1975 THREE RIVERS STADIUM

PITTSBURGH 28, BALTIMORE 10—Attendance 49,053. The Colts were able to keep the game close with the defending Super Bowl champions until the final period even without the services of starting QB Bert Jones. Jones sustained a severe bruise to his throwing arm on the Colts first offensive series and was unable to return to action until the fourth quarter. Backup QB Marty Domres generated a second quarter score with a 5-yard TD toss to Glenn Doughty. The Colts trailed 14-10 after three quarters before Pittsburgh QB Terry Bradshaw scored on a 2-yard run midway through the final period. Steelers LB Andy Russell iced the victory in the final two minutes when he returned a Jones fumble 93 yards for a score.

DEC. 19, 1976 BALTIMORE MEMORIAL STADIUM

PITTSBURGH 40, BALTIMORE 14—Attendance 60,020. The Colts were playing "catch-up" ball all afternoon as the Steelers struck early and often. On the third play of the game, Pittsburgh stunned the Colts defense with a 76 yard TD bomb from Terry Bradshaw to Frank Lewis. Baltimore countered with a first quarter Bert Jones TD pass to Roger Carr covering 17 yards but it would be the Colts only score until the final period. A 60 yard kickoff return by Theo Bell and a 50 yard Franco Harris burst from scrimmage were key plays in building the Steelers 26-7 halftime lead. The Pittsburgh offense amassed 526 total yards as Bradshaw threw for 264 and Harris picked up 132 on the ground.

AFC PLAYOFF

DEC. 24, 1977 BALTIMORE MEMORIAL STADIUM

OAKLAND 37, BALTIMORE 31—Attendance 60,763. In one of the longest football games ever played, the Colts and Raiders needed six quarters to decide the winner of their AFC playoff game. An Errol Mann 22 yard FG with only 26 seconds left in regulation time put the game into overtime tied at 31. After a scoreless fifth quarter, Oakland ended the game when Ken Stabler hit TE Dave Casper for a 10 yard score. The lead changed hands nine times throughout the game. The Colts had some outstanding individual efforts in all facets of the game. On offense, Ron Lee came off the bench to rush for 46 yards on 11 carries and two TDs. Defensively, Bruce Laird intercepted two passes and returned one 61 yards for a TD. On special teams, Marshall Johnson raced 87 yards with a kickoff for a score.

Colts broadcast team of Vince Bagli and Chuck Thompson.

COLTS RADIO-TV NETWORK

The Baltimore Colts 1980 Radio Network will cover a five state region plus the District of Columbia. WCBM-AM of Baltimore will serve as the flagship station for the Colts 28 station network. Veteran play by play announcer Chuck Thompson will do the broadcasts and Vince Bagli will do the color.

Thompson has been doing play by play for Baltimore teams since the late 1940s when he moved to the Monument City from Philadelphia. He began his Baltimore career doing the Baltimore Orioles of the International League and the Baltimore Colts of the All American Football Conference. Nationally recognized and nationally honored, Thompson lists his 1958 broadcast of the Colts-Giants "sudden death" NFL championship game and the seventh game of the 1960 Pirates-Yankees World Series as his most memorable assignments.

Bagli has been associated with Baltimore sports for as many years as Thompson. He has worked in both the print media and the electronic media having worked as a sportswriter for the Baltimore News American and for WBAL-Radio and TV. Twice nationally honored, Bagli is a Baltimore sports broadcasting institution.

WMAR-TV (Channel 2) will telecast the Colts four pre-season games. WBAL-TV (Channel 11) will air all the regular season games.

COLTS OFFICE/TRAINING FACILITY

On February 26, 1980, the Colts hosted the grand opening of their new office/training facility located northwest of Baltimore City in Owings Mills, Maryland. The complex will serve as the new home of the football club and the entire administrative staff including the ticket office.

The facility features a two story office/training structure which covers approximately 36,000 square feet. It includes two and one half practice fields of natural turf and parking facilities to accommodate up to 140 vehicles. The total area of the complex proper which includes the building, practice fields and parking lots is 11.5 acres.

The facility, which was privately financed by the Baltimore Colts Football Club and owner Robert Irsay, was under construction for a total of ten months. Groundbreaking ceremonies were held on March 28, 1979. Colts administrative personnel moved into the new complex on January 28, 1980.

The two-story brick and glass structure is a multi-purpose building. The upper level contains offices for the entire administrative staff, ticket sales and player personnel. Offices for the head coach and each assistant coach are located in a separate section on this level with easy access to player meeting rooms on the lower level. Several conference rooms and a large reproduction center are also included on the upper level.

The lower level consists of a large locker room with 59 permanent lockers lining the walls and enough space to accommodate 36 additional temporary lockers. There are separate locker and shower areas for the coaching staff and administrative personnel. This level also includes a film processing lab which will enable the Colts coaching staff to view films of each day's practice within hours of its completion. There are a total of seven player meeting rooms and an equipment room with built-in laundry facilities.

The players' training room contains an area devoted exclusively to injury rehabilitation with a wide assortment of equipment used in physical therapy. There is also a sauna, a steam room and several whirlpool baths. A six foot jacuzzi enables an injured player to stand upright and run in place for therapeutic purposes. Other training facilities include two handball/racquetball courts and a large weight lifting room.

Adjacent to the building are two 120 yard practice fields of natural turf. The two fields are separated by a 50 foot tower which is used to film each practice session. There is also a 50 yard auxiliary field which will be utilized for practice drills requiring the use of heavy equipment. An outdoor shed, providing 2,880 square feet of storage space, is located adjacent to the practice fields.

The facility is located at 11001 Bonita Avenue just off of Reisterstown Road. It can be reached by taking Exit 20 North off the Baltimore Beltway (I-695) and following Reisterstown Road approximately five miles to Bonita Avenue.

THE BALTIMORE COLTS MARCHING BAND

The Baltimore Colts Marching Band, under the direction of Art Schmersal, will be celebrating its 34th anniversary this season. The band was founded in 1947 when the Colts played in the All American Football Conference. The band remained active in 1951-52 when Baltimore was without a professional football team and was a strong force in the city regaining an NFL franchise in 1953.

In addition to its pre-game and halftime performances, the band annually appears in local parades and has for the past 18 years served as the official Preakness band. The band is an all volunteer group which starts practicing in late spring.

The band is represented at the Pro Football Hall of Fame in Canton, Ohio by its first bass drum donated in 1966. The Colts band was the first to incorporate a cheerleading unit into the band in 1954.

COLTS CORRALS

The Colts Corrals are probably the most unique fan club organization in professional sports. The first Corral was organized in 1957 and since then, 34 other Corrals have been formed covering Maryland, Delaware and Pennsylvania. Colts Corral 954 is the most unusual Corral being formed entirely of inmates at the Maryland Correctional Institute.

The Council of Colts Corrals annually sponsors a convention in Ocean City, Maryland that attracts over 1,000 Colts fans for a football weekend. Other events hosted by the Council or the separate Corrals include award banquets, bull roasts, dinners, dances and golf outings with the proceeds from these events being donated to charitable organizations. Since their formation, the Corrals have contributed over \$100,000 to charities.

The Corrals have been well represented at the Hall of Fame inductions of Gino Marchetti (1972), Jim Parker and Raymond Berry (1973), Lenny Moore (1975) and John Unitas (1979).

For information about the Corrals, write: Colts Corrals, P.O. Box 8409, Parkville, Maryland 21234.

BALTIMORE MEMORIAL STADIUM

Baltimore Memorial Stadium was completed in 1954. Construction began in 1949, the final season of Baltimore's play in the All-America Football Conference, on the same site as the original Baltimore Stadium. Work continued through 1949 and the 1950 National Football League season without the Colts missing a home game.

Construction was suspended following the dissolution of the Baltimore NFL franchise in 1950, and did not resume until 1952. Work continued through the 1953 season, when the current Colt team moved to the city from Dallas.

The stadium, in its present form, was completed prior to the 1954 season with a capacity of 52,000. Additions brought the capacity up to a high of 60,240 in 1970. Comfort refinements have reduced the current capacity to 56,626 for Colt games played before conversion from the baseball configuration, and 60,763, when the football configuration is completed.

The original Baltimore Stadium was built of wood on mounds of dirt beginning in 1922. It was completed in 1924 with a seating capacity of 80,000 and officially dedicated on November 29, 1924, when 80,150 persons attended the Army-Navy game. Capacity later was reduced to 66,000.

TIE BREAKERS

DIVISION TIES

If, at the end of the regular season, two or more clubs in the same division finish with the best won-lost-tied percentage, the following steps will be taken until a champion is determined:

Two Clubs

1. Head-to-head (best won-lost-tied percentage in games between the clubs).
2. Best won-lost-tied percentage in games played within the division.
3. Best won-lost-tied percentage within conference.
4. Best won-lost-tied percentage in common games, if applicable.
5. Best net points in division games.
6. Best net points in all games.
7. Strength of schedule.
8. Best net touchdowns in all games.
9. Coin toss.

Three or More Clubs

1. Head-to-head (best won-lost-tied percentage in games among the clubs).
2. Best won-lost-tied percentage in games played within the conference.
3. Best won-lost-tied percentage in games played within the conference.
4. Best won-lost-tied percentage in common games.
5. Best net points in division games.
6. Best net points in all games.
7. Strength of schedule.
8. Best net touchdowns in all games.
9. Coin toss (which Rozelle feels will never be needed).

WILD CARD TIES

For wild-card ties if all the tied clubs are from the same division, the division tie-breaker decides. If the tied clubs are from different divisions, two clubs tied will be decided on the basis of:

1. Head-to-head, if applicable.
2. Best won-lost-tied percentage in games played within the conference.
3. Best won-lost-tied percentage in common games, minimum of four.
4. Best net points in conference games.
5. Best net points in all games.
6. Strength of schedule.
7. Best net touchdowns in all games.
8. Coin toss.

Three or More Clubs

(Note: If two clubs remain tied after third or other clubs eliminated, tie-breaker reverts to Step One of applicable two-club format.)

1. Head-to-head sweep (applicable only if one club has defeated each of the others or one club has lost to each of the others).
2. Best won-lost-tied percentage in games played within the conference.
3. Best won-lost-tied percentage in common games, minimum of four.
4. Best net points in conference games.
5. Best net points in all games.
6. Strength of schedule.
7. Best net touchdowns in all games.
8. Coin toss.
