# JAGUARS FOUNDATION

## MISSION STATEMENT

*Believing that youth represent the community's future, the Jacksonville Jaguars Foundation is committed to serving the greater Jacksonville area through strategic financial, networking and volunteer support benefitting economically and socially disadvantaged youth and families. By building upon our city's strengths, we seek to realize the positive potential of our young people in need. In doing so, we aim to serve as a model to other sports franchises.*

### PROGRAMS:

The Jaguars Foundation's innovative programs have been nationally recognized, including stories in the *New York Times* and the syndicated "Osgood File" radio program.

**GRANTMAKING:** Since March 1995, the Jaguars Foundation has allocated about \$670,000 in grants to programs serving Jacksonville's economically and socially disadvantaged youth. This level of giving is among the top few in professional sports. A record sum of \$139,850 was granted to eight agencies before the team had played its first game in 1995. The next series of grants will be announced in December 1997.

**HONOR ROWS:** This unique program uses seats at Jaguars home games as incentives for disadvantaged youth (ages 9-16) and families to set and achieve academic, behavioral and public service goals. In 1997, 45 agencies were awarded a total of more than 2,800 seats to regular-season home games (in 1996, 24 agencies were awarded 1,684 seats). All *Honor Rows* youth earning a seat fulfilled a pledge to remain alcohol, tobacco and drug free. The Foundation partners with the United Way to mobilize volunteers and BellSouth and NIKE to ensure the overall safety and enjoyment of *Honor Rows* participants. The Jaguars Foundation received the 1996 Governor's Community Investment Award for this program.

**ANTI-TOBACCO INITIATIVE:** The team and the Foundation have taken a leadership position in partnership with the Robert Wood Johnson Foundation to reduce tobacco use among youth. This initiative seeks to send a clear message to youth that smoking is neither "cool" nor conducive to athletic performance. The project includes high-profile signage, autograph cards, an anti-substance abuse pledge by *Honor Rows* participants and radio and television PSA's, and it set a precedent in the NFL by being the first team to take tobacco advertising off the back cover of *GameDay* magazine.

**STRAIGHT TALK:** The Foundation has a key focus on reducing teen pregnancy through grants and *Honor Rows* programs, as well as collaborating with the media. In 1995, the Foundation convened all six Jacksonville television stations over the issues of teen pregnancy and AIDS prevention. The unprecedented effort called "Straight talk," involved stations simultaneously "roadblocking" airtime and showing a live town hall forum. A volunteer staff referral line was made available for young people and adults seeking assistance.

**PLAYBOOKS READING INITIATIVE:** The **PLAYBOOKS** initiative involves development and distribution to public libraries of 20,000 colorful booklets in which Jaguars players and coaches highlight the books they

found particularly motivating as youth, thereby encouraging young people to read and better utilize local public libraries. The Foundation received WTLV-12's "Top of the Class" Award for PLAYBOOKS.

**IN-KIND SUPPORT NETWORK:** The Foundation acts as an intermediary between people and businesses that have resources to assist others and those in need of resources, through programs such as a used computers donations, a Thanksgiving food drive coordinated with Jaguars players, staff and their spouses, a holiday toy and food drive at Regency Square, and a partnership with NIKE to collect shoes and reprocess the materials to make a basketball court for a local youth agency.

**VOLUNTEERISM:** The Foundation serves as a matchmaker between interested players/spouses and young people/agencies in facilitating leadership and mentorship roles. The Foundation also provides technical assistance and participates in local community service projects, such as "Paint the Town."

## **WEAVER**

### **CHAIR / CHIEF EXECUTIVE OFFICER, JAGUARS FOUNDATION**

Delores Barr Weaver is committed to helping families and young people in the Jacksonville community lead self-sufficient, meaningful lives. Under her leadership, she has raised awareness by addressing tough social issues faced by youth today. For example, all six Jacksonville television stations co-produced and simultaneously aired "Straight Talk," a program designed as a town forum and focused on teen pregnancy, AIDS and increased male responsibility. *The Florida Times-Union* has joined this group, and additional "Straight Talk" programs are planned in the effort to prevent what is probably the most serious problem our community faces today: teen pregnancy.

Locally, Mrs. Weaver serves on the Governing Boards of the Jacksonville Community Foundation, USO Council, United Way, WJCT Public Broadcasting and Ronald McDonald House Advisory Board. She is the Honorary Chair of the Sam Kouvaris/Delores Barr Weaver Habijax Golf Tournament, as well as an active volunteer for Habijax Raising Week and Hubbard House.

Nationally, she is a member of the Governing Boards of NFL Charities and the Martha Graham Dance Company in New York, and the Dana-Farber Marathon Challenge and the Dana-Farber Cancer Institute in Boston. As a member of the Dana-Farber Cancer Institute, Mrs. Weaver was instrumental in creating the Marathon Challenge. This challenge, which was established in honor of her mother, Claudia Adams Barr, provides an opportunity for participants to raise funds for innovative cancer research. More than \$5 million has been raised since the first "challenge run" in 1990.

**GREGORY**

## **GROSS**

### **PRESIDENT, JAGUARS FOUNDATION**

Dr. Gregory Gross was named president of the Jaguars Foundation after serving as a consultant to Wayne and Delores Weaver on charitable giving. A native of Chicago, he earned a B.A. from the University of Wisconsin, where he received four letters in soccer. He then coordinated a National Science Foundation project at Yale University and co-founded and directed an international education organization in Washington D.C., which was connected to the International Pugwash Conference on Science and World Affairs, the group that won the 1995 Nobel Peace Prize.

Dr. Gross received his master's degree at Harvard, and later consulted for Digital Equipment Corporation. After working for several years in the Boston medical complex, he returned to complete his Doctorate at the Harvard Graduate School of Education while consulting in nonprofit management. Having received a research award from the Aspen Institute, he wrote a dissertation on how grantmaking foundations served the disadvantaged. He serves on the Governing Board of the Dana-Farber Marathon Challenge, the Harvard-Outward Bound Advisory Board and the University of North Florida Dean's Advisory Board. Dr. Gross and his wife, Wendy, have a daughter, Jamie.

## **CHAIRMAN, PRESIDENT AND CHIEF EXECUTIVE OFFICER**

It's one thing to say you have a commitment to winning; it's another thing to truly have one.

And never has Wayne Weaver's commitment to winning been proven more true than in 1996, the second season of the Jacksonville Jaguars, when the team surprised and thrilled the football world by advancing to the AFC Championship game, just one game short of pro football's pinnacle, the Super Bowl.

Weaver has shown his commitment to the Jacksonville community time and time again since winning an NFL expansion franchise in 1993. He hired a winner in Tom Coughlin in 1994. He presided over the building of the NFL's showpiece stadium in 1995. And he watched his dream team go to the playoffs — and *win* in the playoffs — in 1996. Only time will tell what 1997 will bring.

One of the nation's most successful entrepreneurs, Weaver brought his enthusiasm and business acumen to Jacksonville, a city that was yearning for professional football ... and a city which Wayne and his wife, Delores, now call home.

Weaver's goal is to build the Jaguars into the NFL's most successful franchise. He serves as the team's chairman, president and chief executive officer, overseeing the day-to-day operations of

*"Everything we do in the community should make the fans feel as if they are a part of the Jaguars. We believe they are our greatest asset. Our fans want to win. They want to feel good about our commitment."*

— Wayne Weaver

the team while allowing his hand-picked staff the autonomy to do its jobs. That's the Weaver way. A winning way.

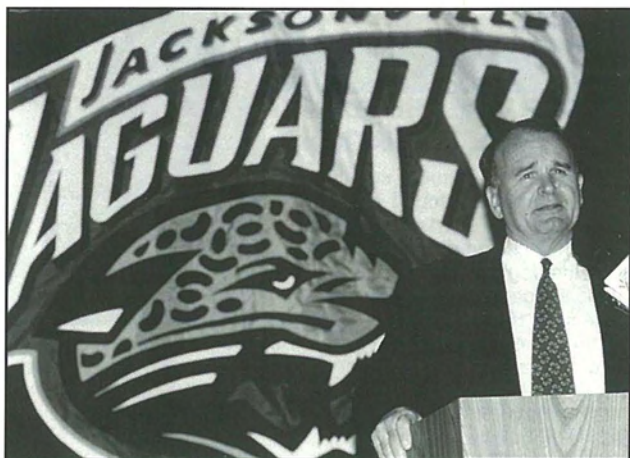

On March 18, 1993, J. Wayne Weaver was introduced as the managing general partner of Touchdown Jacksonville!, the group that was trying to win an expansion franchise for the city. Fewer than nine months later, the Jacksonville Jaguars were born.

In winning the NFL's 30th franchise on November 30, 1993, Weaver led Jacksonville to what has been called one of the greatest upsets in sports history and the fulfillment of Jacksonville's more than 15-year dream of an NFL franchise.

Since that time, he has been named a member of the NFL Properties executive committee, the league's stadium committee and the special committee on opportunities/challenges.

But Weaver also takes pride and joy in his other businesses. For what Henry Ford was to automobiles and Bill Gates is to computers, Weaver is the acknowledged leader in the women's shoe business.

He is chairman, chief executive officer and majority owner of Shoe Carnival, Inc., one of the nation's fastest-growing shoe retailers based in Evansville, Ind. Shoe Carnival, Inc., is a retail family shoe company with \$231 million in annual revenue. Weaver has

nurtured Shoe Carnival from modest beginnings of four stores in 1985 to a current portfolio of 91 stores.

Weaver became the majority owner, chairman and chief executive of LC Footwear, LLC with the acquisition of this company in July 1995 from Liz Claiborne, Inc. LC Footwear is a wholesale distributor to upscale department stores across the country. The company is headquartered in Jacksonville and is opening Liz Claiborne retail shoe stores in upscale malls nationwide.

Previously, Weaver was co-owner, president and chief executive officer of Nine West Group, Inc., the leading designer and marketer of women's footwear, from 1978 to its initial public offering in February 1993. Nine West is credited with revolutionizing the women's shoe market, as sales grew under Weaver's leadership from \$9 million in 1978 to more than \$550 million in 1993.

Throughout his business career, Weaver has maintained a commitment to philanthropic endeavors. With the award of the Jaguars franchise, Wayne and Delores have focused their charitable efforts through the Weaver Family Foundation and the Jacksonville Jaguars Foundation, in addition to their long-standing commitment to the Dana-Farber Cancer Institute at Harvard Medical School. Wayne and Delores serve on the Institute's Board of Directors, and through the Claudia Adams Barr Program, founded in memory of Delores' mother, they have raised more than \$8 million for Dana-Farber.

Weaver is past chairman of the Fashion Footwear Association of New York. He has also been active as director and executive committee member of the Two/Ten International Footwear Foundation and currently serves as a director of First Union National Bank of Florida. He is also a member of the board of directors of the Jacksonville Symphony Association and the Cummer Museum of Arts and Gardens.

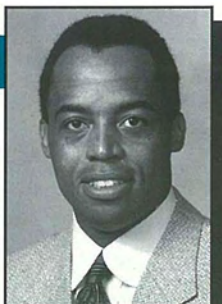

Weaver was born on January 14, 1935 in Columbus, Ga. A high-school graduate, he rose through the ranks of Brown Group, Inc., a major St. Louis-based shoe company. After serving as senior vice president, he departed in 1978 to become president and CEO of Nine West.

Wayne and Delores live in Jacksonville. They have been married for 42 years and have a son, Bradley, and a daughter, Leigh, and a seven-year-old granddaughter. An avid sportsman and skier, Weaver ran the Boston Marathon in 1991 to support the Dana-Farber Cancer Institute.

**MICHAEL**

## **HUYGHUE**

### **SENIOR VICE PRESIDENT, FOOTBALL OPERATIONS**

Michael Huyghue, considered one of the brightest young executives in professional sports, has negotiated with and signed the players that took the Jaguars to the AFC Championship game in only its second season in 1996.

In each of the last three years, Huyghue has set the pace for all of the league's teams when it comes to signing draft choices. Every draft choice has been signed before the start of training camp, and in 1995 the team's first rookie class was signed collectively on June 1.

Huyghue (pronounced "hewg") was one of the first people Wayne Weaver sought after gaining the franchise in November 1993. He joined the Jaguars in March 1994 as vice president of football operations, and he was promoted to senior vice president in 1996.

Huyghue directs all football operations for the Jaguars, with primary responsibility for negotiating player contracts and administering the salary cap, as well as overall team administration.

Huyghue was previously the Detroit Lions' vice president of administration and general counsel. He oversaw the day-to-day administrative responsibilities, negotiated player contracts and was instrumental in guiding the Lions to the NFC Central Division championship that season.

In 1992 Huyghue served as vice president/administration and general counsel for the World League. During the 1991 season he was the general manager of the Birmingham Fire, which he directed to the North American West Division Championship.

From 1987 to '90, Huyghue was labor relations counsel to the NFL's Management Council, where he advised the then-28 member clubs on interpretation and enforcement of Collective Bargaining Agreement provisions between the league and the NFL Players Association. During his first year with the Management Council, he was also an integral member of the Council's staff which directed member clubs in the signing of replacement players during the 1987 players' strike. Rounding out his labor experience, Huyghue also served briefly in 1987 in the legal department of the NFL Players' Association.

Huyghue earned a bachelor's degree in communication arts from Cornell University, where he excelled in baseball and was a three-year starter at wide receiver on the football team. He went on to earn a juris doctor degree from the University of Michigan Law School in 1982 and is a member of the State Bar in New York, New Jersey, and Michigan. He also plays an active role in league-wide administrative affairs, serving on the Management Council's working committee, and he is a board member of the World League's working group committee and college relations advisory committee.

Huyghue is very active in the Jacksonville community and is a board member of the Urban League and the YMCA.

Huyghue was born on September 21, 1961, in Windsor, Conn. He and his wife, Kimberly, have two daughters, Kristen Nicole and Kathryn Leigh.

**DAN****CONNELL****SENIOR VICE PRESIDENT,  
MARKETING**

Dan Connell joined the Jaguars on March 16, 1994, but his involvement with the team predated his hiring. As executive vice president of First Union Bank of Jacksonville, Connell was instrumental in rallying the Jacksonville business community in support of the city's expansion bid. His creativity and effort were instrumental in making possible Jacksonville's club seat drive in which NFL NOW! sold more than 10,000 premium seats in just 10 days, a \$75 million show of community support that the NFL expansion committee was not able to overlook.

As the Jaguars' senior vice president of marketing, Connell oversees all team marketing efforts, including sponsorships, communications, special events, broadcasting, creative services, interaction with the NFL office on marketing issues and city public relations.

During his 27 years as a resident of Jacksonville, Connell has been deeply involved in the community, serving on various boards. He is Chairman of the Jacksonville Chamber of Commerce and is on the board of trustees for The Bolles School and the First Union Advisory Board. Connell was recently appointed by Jacksonville Mayor John Delaney to the newly created Jacksonville Economic Development Commission. His term as commissioner is through 1998.

Connell received a bachelor's degree in business administration from the University of Florida in 1970. He was born on October 7, 1948 in Orlando. He and his wife, Mary, have two sons, Andrew and Russell.

**BILL****PRESCOTT****VICE PRESIDENT/  
CHIEF FINANCIAL  
OFFICER**

Bill Prescott is the chief financial officer for the Jaguars. He oversees the finance department, ticket operations, facilities, concessions and information systems. He is responsible for team financial and tax matters and interaction with the NFL and city of Jacksonville on financial matters.

Prescott also handles the financial operations of other Weaver-related entities, such as Liz Claiborne Shoes, the DAR Group, the Jacksonville Jaguars Foundation and the Weaver Family Foundation.

Prescott has been involved with the Jaguars since their inception, and has also handled Wayne Weaver's finances since 1980. Prescott met Weaver while he worked as a tax manager for Deloitte & Touche. In 1989, Prescott joined Grill, Gilhuly, Prescott & Co. CPAs as a partner, where he continued to work with Wayne and Delores Weaver.

A native of the Bronx, N.Y., Prescott is a graduate of Pace University with a degree in accounting and a master's degree in taxation. He is a member of the American Institute of Certified Public Accountants and the Connecticut Society of CPAs, and he holds CPA licenses in both Connecticut and Florida. His hobbies include tennis, sailing and skiing.

He lives in Ponte Vedra Beach, and has two sons, Christopher and Michael.

**PAUL**

**VANCE**

**VICE PRESIDENT,  
ADMINISTRATION  
GENERAL COUNSEL**

Paul Vance has been with the Jaguars since July 18, 1994 following 21 years with the Stamford, Conn., law firm of Cummings & Lockwood. While he was with Cummings & Lockwood, he represented Wayne Weaver and Touchdown Jacksonville! during the expansion process. Vance, 49, is also of counsel with the Jacksonville office of Foley & Lardner, which serves as the primary law firm of the Jaguars.

As vice president and general counsel for the team, Vance is responsible for all legal matters, including business contracts, licensing and litigation. He also oversees the team's employee and human resource issues and policies and serves on the executive committee.

In his 21 years with Cummings & Lockwood, Vance emphasized corporate and transactional work and was elected to the partnership in 1981. He joined Cummings & Lockwood after completing his law studies at Columbia University.

Vance did his undergraduate studies at the University of Rochester, where he received a bachelor's degree in economics in 1969. While at Rochester, he played varsity baseball and was captain of the varsity basketball team. He received his juris doctor degree in 1973 from Columbia, where he was a Harlan Fiske Stone Scholar.

## **HEAD COACH**

In two seasons, Tom Coughlin has guided the Jaguars from their infancy to the brink of the Super Bowl.

He laid the foundation for a winning team in Jacksonville by preaching discipline and hard work, and his tenacity and determination quickly turned an expansion franchise into a playoff contender in a matter of two short seasons.

In 1996, his second season as head coach, Coughlin led a team that excited not only the fans of Jacksonville but thrilled football fans across the country. The 1996 Jaguars' accomplishments included:

- A team-record 11 wins, with a 7-1 mark at home
- Became the NFL's first second-year team ever to win two playoff games
- Were the only NFL team to win a playoff game on the road (and did it twice)
- Finished with an 11-8 record (9-7 in the regular season and 2-1 in the playoffs)
- Won seven consecutive games for the first time ever
- Won four consecutive road games, a team record
- Went 8-2 after their bye week on November 3, the best mark in the AFC in that time
- Scored 60 points in the first two playoff games against Buffalo and Denver — the most ever by a team in its first two postseason games (includes all teams, not just expansion teams)
- Became the first team ever to beat the Buffalo Bills at Rich Stadium in the playoffs
- Became only the second team to defeat the Denver Broncos at Mile High Stadium in the playoffs. Jacksonville's 30-27 victory over Denver is widely acknowledged as the biggest upset in pro football history since the New York Jets beat the Baltimore Colts in Super Bowl III.

And, after the season ended in a heartbreaking loss in the AFC Championship game, Coughlin was named AFC Coach of the Year by United Press International.

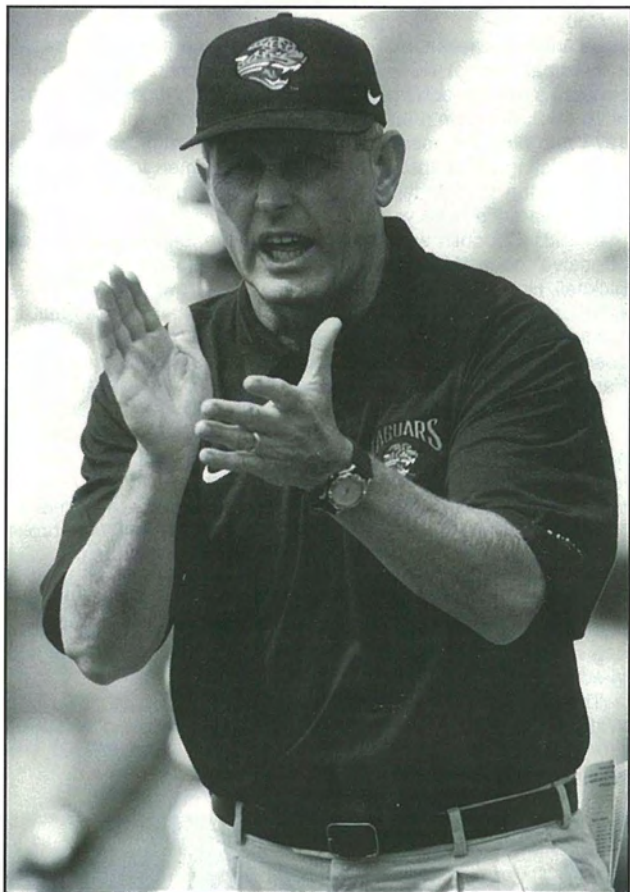

Firm. Fair. Honest. Demanding. Those four words describe Coughlin the best. "I have very high levels of expectations, and I think players need that," he says. "Players want discipline; they want organization. We emphasize responsibility and accountability, and all the little things that help you win in the long run."

*"I told the players that we have to resolve to come back and win the AFC Championship game in 1997 and go on to the Super Bowl."*

— Tom Coughlin after the 1996 AFC Championship game

Coughlin was named head coach of the Jacksonville Jaguars on February 21, 1994. Twenty-two months later, the Jaguars closed out their inaugural season with four victories — more than any previous NFL expansion team had ever won.

And the Jaguars' thrilling success in Coughlin's first two seasons as head coach has raised the level of expectations as the team prepares for Year Three. Coughlin and the Jaguars reached two of their goals in 1996 — a winning season and a berth in the

playoffs. But falling a game short of the final goal — a trip to the Super Bowl — left Coughlin and his team with a resolve to go even further in the 1997 season.

A veteran of 27 years in the coaching profession, before being hired by the Jaguars Coughlin was previously a college head coach for seven seasons and an NFL assistant coach for seven.

He spent 1984 and '85 as the wide receivers coach for the Philadelphia Eagles, and he was with the Green Bay Packers in 1986 and '87 as the receivers coach. He served with the New York Giants from 1988 to '90 as the receivers coach, contributing to the Super Bowl XXV victory over Buffalo in his last season with the Giants. In 1993, Coughlin was offered the opportunity to return to the Giants as head coach, but he declined the job so he could continue building the Boston College football program.

Coughlin's arrival in Jacksonville followed three seasons (1991-93) as head coach at Boston College, where he turned a struggling football program into a Top 20 team. Posting a 21-13-1 record in three seasons, Coughlin capped his Boston College tenure with a 9-3 record in 1993 which included eight consecutive wins, a 41-39 defeat of No. 1-ranked Notre Dame and a victory over Virginia in the Carquest Bowl. His last Boston College team was ranked 13th in the Associated Press poll and 12th in the *USA Today/CNN* coaches poll, despite beginning the season with an 0-2 start.

He led Boston College to an 8-2-1 record in 1992, including a Hall of Fame Bowl berth, after posting a 4-7 mark in his first season.

Coughlin began his coaching career in 1969 as a graduate assistant at Syracuse, his alma mater. The next season he began a four-year stint at Rochester Institute of Technology, where he served as head coach from 1970 to '73, putting together a record of 16-15-2. Coughlin returned to Syracuse under Frank Maloney in 1974 and held the position of offensive coordinator from 1977 to '80, directing an offense that led the Orangemen to a berth and victory in the 1979 Independence Bowl, Syracuse's first postseason appearance in 13 years.

In 1981 Coughlin went to Boston College for the first time, as offensive coordinator and quarterbacks coach under Jack Bicknell. He helped the Eagles win their first bowl bid in 40 years while coaching Doug Flutie, the 1984 Heisman Trophy winner. In 1983, Coughlin's last season as a Boston College assistant coach, the team earned the Lambert-Meadowlands Trophy as Eastern Champion, the first won by the Eagles since 1942.

Coughlin's playing career began as a standout scholastic star at Waterloo (N.Y.) Central High School in his hometown. He attended Syracuse University, where he was a three-year letterman for legendary coach Ben Schwartzwalder from 1965 to '67. A wingback for the Orangemen, Coughlin played alongside All-America backs Larry Csonka and Floyd Little. As a senior in 1967, he broke the Syracuse single-season pass receiving record, which had stood since the 1950s. An excellent student, he also won Syracuse's Orange Key Award that year as the university's outstanding scholar athlete. He graduated in 1968 with a bachelor's degree in education, and in 1969 he received his master's degree in education.

Thomas Richard Coughlin was born August 31, 1946 in Waterloo, N.Y. He and his wife, Judy, have two daughters, Keli (10/6/69) and Katie (9/11/81), and two sons, Tim (2/8/72) and Brian (7/17/77).

A wide receiver at Princeton, Baker was on the school's Ivy League champion team in 1989. He has worked in coaching and administrative positions for the last six years. In 1991 Baker was the player personnel coordinator for the World League's Birmingham Fire.

Baker also served as a consultant and scout for the World League until joining the coaching staff at Samford University in Birmingham, Ala. in January 1993. While at Samford he coached running backs and wide receivers in addition to his duties in recruiting.

Baker was born June 29, 1969 in Glen Ridge, N.J. and raised in Hamilton, N.Y. He graduated from Princeton in 1991 with a degree in history. He and his wife, Jill, live in Jacksonville.

**PETE****CARMICHAEL****WIDE RECEIVERS  
COACH****NFL: 3RD SEASON****JAGUARS: 3RD SEASON**

Pete Carmichael joined the Jaguars as wide receivers coach on March 3, 1994 after 13 consecutive seasons at Boston College (18 overall), the last three as wide receivers coach under Tom Coughlin. Carmichael, 56, is in his 33rd year in coaching.

He has been responsible for the development of the Jaguars' young wide receiving corps. In 1996, the Jaguars had two 1,000-yard receivers, only the 26th tandem in NFL history to accomplish that feat. Jimmy Smith, who didn't play football in 1994, led the AFC with 1,244 receiving yards, and Keenan McCardell caught 85 passes and became the first Jaguars player to be voted to the Pro Bowl.

Carmichael began his coaching career in 1965 at Virginia Military Institute, followed by stints at New Hampshire (1967), Columbia (1974-77) and on Joe Yukica's Boston College staff (1968-72). He was head coach at Trenton State College in 1973.

After three years as an assistant at Columbia, he earned his second head coaching assignment from 1977 to '80 at the Merchant Marine Academy. In 1981 he returned to Boston College to begin a 10-year stint as defensive backs coach under Jack Bicknell.

When Coughlin took over the Boston College program in 1991 he retained Carmichael to coach the team's wide receivers. Carmichael coached in six bowl games: Citrus, Liberty, Cotton, Carquest and twice in the Hall of Fame game.

Carmichael played one year as a quarterback at Dayton (1961) before transferring to Montclair State College, where he continued his playing career. He graduated from Montclair State in 1964 with a bachelor's degree in health and physical education. He was born March 4, 1941 in Plainfield, N.J. He attended North Plainfield High School, where he lettered three years in both football and baseball.

**JAGUARS: 3RD SEASON**

Randy Edsall joined Tom Coughlin's Jaguars staff on March 3, 1994. Now in his 18th year in coaching, Edsall was an assistant to Coughlin at Boston College for three seasons, and he was a finalist for BC's head coaching job last winter.

In 1996, Edsall coached a young secondary that ranked 16th in the NFL in passing yards allowed, despite going through the season with three different starters at left cornerback. In fact, Edsall tutored Aaron Beasley, a third-round draft choice who started in only his third NFL game. At safety, he coached Chris Hudson, who started all 16 games after having played only one NFL game heading into 1996.

In two seasons, the Jaguars have allowed only four 300-yard passing games under Edsall. In last season's playoffs, Edsall's secondary gave up an average of just 217 passing yards per game against three of the NFL's best quarterbacks — Jim Kelly, John Elway and Drew Bledsoe.

A former quarterback at Syracuse, Edsall began his coaching career at his alma mater. He served as a graduate assistant coach at Syracuse from 1980 to '82, and in 1983 was named to Dick MacPherson's fulltime staff as running backs coach. He coached running backs in 1983-84 and 1986, and served as tight ends coach in 1985. In 1987, Edsall became defensive backs coach for the Orangemen for three seasons and was also the school's recruiting coordinator for the 1989 and '90 seasons.

In 1991 Edsall was hired by Coughlin at Boston College. He played for Coughlin from 1976 to '79 when Edsall was a quarterback for Syracuse and Coughlin was the team's quarterback coach and offensive coordinator. As a senior at Syracuse in 1979, Edsall received the Joseph Alexander Award for excellence in football, scholarship and citizenship. He graduated in 1980 with a bachelor's degree in health and physical education, and in 1982

**FRED**

## **HOAGLIN**

### **TIGHT ENDS COACH**

**NFL: 31ST SEASON**

**JAGUARS: 1ST SEASON**

Fred Hoaglin has been around the NFL longer than any member of the Jaguars' coaching staff — 31 years dating back to 1966 when he was a rookie center with the Cleveland Browns.

Hoaglin joined the Jaguars' coaching staff from the New England Patriots on February 11, 1997, making this his 20th season as an NFL assistant coach. He replaced Nick Nicolau, who is now the assistant head coach of the San Diego Chargers. Hoaglin has been a member of three Super Bowl staffs, winning twice as the offensive line coach for the New York Giants in Super Bowls XXI and XXV.

For the Jaguars, he coaches the team's tight ends, the first time he has coached that position after serving as an offensive line coach for the last 19 years. The Jaguars return three tight ends in Derek Brown, who started 14 games in 1996; Pete Mitchell, who was third on the team with 52 receptions; and Rich Griffith, who started 15 games in 1995. Hoaglin will also work closely with Damon Jones, the team's multi-talented rookie who was considered a "steal" in the fifth round of the draft.

After retiring as a player in 1976, Hoaglin was hired by the Detroit Lions in 1978, coaching there through 1984. In 1985, he was hired by Bill Parcells in New York and a year later the Giants won their first Super Bowl. Hoaglin remained with the Giants through 1992, coaching on a second Super Bowl championship team in 1990, along with Tom Coughlin, who was then the Giants' receivers coach. Hoaglin re-joined Parcells in New England in 1993, coaching the Patriots' offensive line for four seasons. The Patriots allowed only 102 sacks in Hoaglin's four seasons.

Hoaglin was drafted in the sixth round by the Cleveland Browns in 1966, and he broke into the starting lineup as a rookie. A versatile player who could play any position on the offensive line, he spent the majority of his 11-year career at center. In 1969, his peers elected him to the Pro Bowl, and he put together a string of 69 consecutive starts in the late 1960s. He played seven years in Cleveland before being traded to Baltimore in 1973. He spent the following two seasons (1974-75) with the Houston Oilers before finishing his career in 1976 with the expansion Seattle Seahawks.

Hoaglin was a starter at both center and linebacker at the University of Pittsburgh and was selected to play in the North-South All-Star game his senior year. He also earned two varsity letters in golf while in college. He received a degree in industrial engineering in 1968.

Hoaglin was born January 28, 1944 in Alliance, Ohio. He and his wife, Janet, have two children: Patricia Compton (3/5/68) and George III "Rick" (9/23/70), a son-in-law, Derek Compton, and two grandchildren: Andrew (5/28/87) and Kristina Compton (4/11/89).

Jerald Ingram was named to the Jaguars' coaching staff on March 3, 1994 after three seasons as running backs coach at Boston College under Tom Coughlin. Ingram, 36, is in his 14th year of coaching.

Ingram is responsible for the Jaguars' running game, which ignited late in the 1996 season and led the team to two victories in the playoffs. Late in the season, Natrone Means replaced an injured James Stewart and responded with higher rushing totals in five consecutive games — including three consecutive 100-yard games, two of them in the playoffs — as the Jaguars won seven straight contests. Even though the Jacksonville offense led the NFL in passing yards, the running attack also ranked 17th as the Jaguars rolled up 5,760 yards on offense, second in the league.

The year before, in 1995, Ingram coached a Jacksonville backfield that featured five players who had totaled only 11 NFL starts between them entering the season. That group of runners also ranked 17th in the league.

Following his college days as a running back at Michigan, Ingram was a graduate assistant at Michigan in 1984. In 1985 he joined the Ball State coaching staff as tight ends coach, followed by five seasons (1986-90) as running backs coach. In Ingram's last three seasons at Ball State, the team posted a 22-10-2 record, the best among the nine Mid-American Conference schools. In 1991, Ingram joined Tom Coughlin's Boston College staff.

Ingram earned three letters and was a member of five bowl teams as a fullback for Michigan from 1979 to '84. He played for the Wolverines' two Big Ten champion squads that advanced to the Rose Bowl, in addition to playing in the Sugar, Gator and Bluebonnet Bowls. Ingram graduated from Michigan in 1984 with a bachelor's degree in general studies.

Ingram was born December 24, 1960 at Wright Patterson Air Force Base in Dayton, Ohio and grew up in Beaver, Pa. He and his wife, Kathleen, live in Jacksonville.

### **DEFENSIVE COORDINATOR**

**NFL: 22ND SEASON**

**JAGUARS: 3RD SEASON**

Dick Jauron is the architect of the Jaguars' rapidly improving defense. In 1996, the Jaguars held three of their 16 opponents under 200 yards in total offense, including the Pittsburgh

Steelers twice. And, with the playoffs on the line, the Jaguars' defense gave up just 47 points in the season's final three games, as the Jaguars won three games by a touchdown or less and made the playoffs.

In the Jaguars' inaugural season in 1995, Jauron oversaw a unit that allowed an average of 25.3 points per game, second-best ever among previous NFL expansion teams.

Jauron, 46, was named defensive coordinator of the Jaguars on January 11, 1995. He and Fred Hoaglin are the team's only coaches who also played in the NFL. The 1997 season is his 22nd in the NFL, including nine as a player and 13 in coaching.

Before joining the Jaguars, Jauron was defensive backs coach for the Green Bay Packers from 1986 to '94. In his nine years with the Packers, Jauron worked under three different head coaches. He joined the organization in 1986 under Forrest Gregg, and was retained when Lindy Infante took over in 1988 and in 1992 when Mike Holmgren was named Green Bay's head coach. The Packers reached the playoffs each of Jauron's last two years, and in his nine seasons in Green Bay, the defense made 168 interceptions in 143 games.

A former NFL defensive back, Jauron began his coaching career in 1985 with the Buffalo Bills under Hank Bullough. The following season he moved to Green Bay to join Gregg's staff, along with Tom Coughlin. Coughlin and Jauron were together on the Packers' coaching staff for the 1986 and '87 seasons.

Jauron was drafted by the Detroit Lions in the fourth round of

the 1973 draft. He played for the Lions through 1977, making the Pro Bowl in 1974. In 1978 Jauron was waived by the Lions, but he signed with the Cincinnati Bengals six days later and continued his career in Cincinnati until suffering a knee injury during the 1980 season. By the end of his playing career Jauron had made 26 interceptions, including six as a Bengals starter in 1979, and he returned two for touchdowns.

Jauron received a degree in history from Yale, where he played running back and still holds the school's all-time record for career rushing yards with 2,947 yards.

Jauron was born October 7, 1950 in Peoria, Ill. He and his wife, Gail, have two daughters, Kacy and Amy.

**NFL: 3RD SEASON**

**JAGUARS: 3RD SEASON**

Mike Maser joined the Jaguars' staff on March 3, 1994 following 13 seasons at Boston College, the last three under Tom Coughlin. Maser, 50, is a veteran of 28 seasons in coaching.

Maser coaches one of the best young offensive lines in the NFL. His bookend tackles — Tony Boselli and Leon Searcy — are considered the best young players at their positions in the league. Maser's starting guards in 1996 were Ben Coleman, who quickly developed into a solid run blocker; Brian DeMarco, who switched to guard after starting all 16 games at right tackle as a rookie in 1995; and Rich Tylski, who spent the previous two seasons on practice squads in New England and Jacksonville. His center is Dave Widell, but Maser is working hard with second-year pro Michael Cheever, who is marked as the team's center of the future.

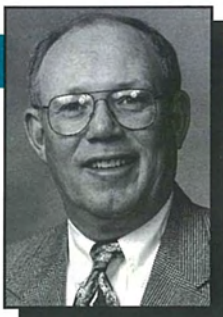

That line in 1996 helped the Jaguars lead the NFL in passing yards and rank second in total offense. The group also led the way as Natrone Means pounded out three consecutive 100-yard rushing games at the end of 1996.

A guard in college, Maser began his coaching career in 1969 as a student assistant at the University of Buffalo. In 1970, he coached for one year at Darien High School in Darien, Conn. A service veteran, Maser coached at the U.S. Military Academy Prep School at Fort Belvoir, Va. in 1971 and '72. In 1973, he was the assistant offensive line coach at Marshall. From 1974 to '78, Maser served as offensive coordinator and head of recruiting for Bluefield State College in West Virginia.

In 1979 and '80, Maser was an assistant under Jack Bicknell at Maine, and in 1981 he joined Bicknell's staff at Boston College. When Coughlin was named head coach at Boston College in 1991 he retained Maser as offensive line coach. During Maser's tenure at Boston College, the team played in six bowl games.

Maser attended the University of Buffalo, where he was a three-year starter at guard. He graduated in 1970 with a bachelor's degree in health, physical education and recreation. In 1974 he received a master's degree in physical education from Marshall University.

Maser was born March 2, 1947 in Clayton, N.Y. He and his wife, Barbara, have a daughter, Brigitte (12/2/73), and two sons, Greg (5/3/75) and Brian (8/14/76).

**CHRIS****PALMER****OFFENSIVE  
COORDINATOR****NFL: 8TH SEASON****JAGUARS: 1ST SEASON**

Chris Palmer takes over an offense that ranked second in the NFL in total offense and first in passing yards in 1996. But he's no stranger to success in the NFL, having coached successful offenses with both the Houston Oilers and New England Patriots over the last seven seasons, capped by an appearance in Super Bowl XXXI.

Palmer was hired on February 5, 1997 to replace Kevin Gilbride, who is now the head coach of the San Diego Chargers. Palmer served as the Patriots' quarterbacks coach in 1996 after three seasons coaching the team's wide receivers. Prior to that, Palmer was the Houston Oilers' receivers coach from 1990 to '92.

In 1996, Palmer retooled the mechanics of Drew Bledsoe, who ended the season leading the NFL in passing attempts and completions and finishing third in passing yards and touchdowns. When Palmer was the Patriots' receivers coach in 1994, the team set an NFL first when five players caught more than 50 passes each. In Houston, Palmer worked with Gilbride, who was then the Oilers' offensive coordinator. From 1990 to '92, Houston boasted the top-ranked passing offense in the NFL.

Palmer was the head coach at Boston University in 1988 and '89, installing the run-and-shoot offense and producing one of the country's most exciting offenses. He was the head coach at the University of New Haven in 1986 and '87, with his teams posting consecutive 8-2 records and setting more than 50 school records.

Palmer's first professional coaching appearance came in 1983 when he was the offensive line coach for the Montreal Concordes in the CFL. In 1984, he joined the staff of the USFL's New Jersey Generals, coaching receivers. The following season he was promoted to quarterbacks coach and offensive coordinator. That year, Palmer's offense featured quarterbacks Doug Flutie and Brian Sipe and running back Herschel walker, who set a pro football single-season rushing record of 2,411 yards.

Palmer began his coaching career as an assistant at the University of Connecticut in 1972, coaching the defensive line and wide receivers. In 1975 he moved to Lehigh as the wide receivers coach. The following season he was named the offensive coordinator at Colgate, where he coached for seven years (1976-82). In 1977, the Red Raiders led the nation in offense, averaging 486 yards per game.

Palmer played quarterback for Southern Connecticut State from 1968 to '71 and was selected to the New Haven Gridiron Club following his senior season. He received both bachelor's and master's degrees at SCSU. He was born September 23, 1949 in Mt. Kisco, N.Y. Chris and his wife, Donna, have two children, Mark (2/24/77) and Kristin (9/22/80).

## **PALMIERI**

### **STRENGTH AND CONDITIONING COACH**

**NFL: 3RD SEASON**

**JAGUARS: 3RD SEASON**

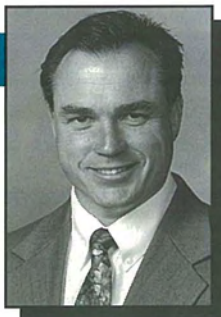

Jerry Palmieri was named strength and conditioning coach for the Jaguars on January 11, 1995. He previously served as director of strength and conditioning operations at Boston College since August 1993.

Palmieri's philosophy is two-fold. Intangibly, he uses a scriptural verse: "Whatever your hand finds to do, do it with all your might ..." (Ecclesiastes 9:10). Each athlete is challenged to work hard and reach his fullest potential — tangibly, his strength and power. Palmieri's goal is to help each athlete increase in size, strength and speed, which ultimately produces a more powerful athlete. "Cough Coughlin wants our team to play physical on the field," says Palmieri. "Our job is to make our players more physical and more powerful, so that their play will be physical in competition."

Prior to his stint at Boston College, Palmieri spent six years overseeing the strength and conditioning program at Kansas State. He began his career as a strength coach in 1982 at North Carolina, followed by three years (1984-87) at Oklahoma State.

In addition to his coaching experience, Palmieri has taught college physical education classes and written articles for national publications about strength and conditioning. He has also produced videos on strength and speed training and is active with the Fellowship of Christian Athletes.

A 1980 graduate of Montclair State, Palmieri received a master's degree in exercise physiology from the University of North Carolina in 1984. He is a three-time Golden Gloves champion (1976-78) and competed in international competition as a member of the 1978 and 1979 USA Boxing Teams. He was born October 30, 1958 in Englewood, N.J. Jerry and his wife, Ellen, have a son, Tony (12/18/85), and a daughter, Annamarie (10/2/87).

**LARRY**

## **PASQUALE**

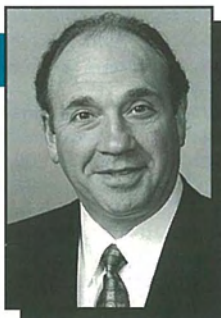

### **SPECIAL TEAMS COORDINATOR**

**NFL: 18TH SEASON**

**JAGUARS: 3RD SEASON**

Larry Pasquale is one of the top special teams coaches in the NFL. A veteran of 18 years as an NFL coach, he was named the Jaguars' special teams coordinator on January 21, 1995.

In two seasons coaching the Jaguars' special teams, Pasquale's units have blocked eight kicks (two extra points, two field goals and four punts) while having only two blocked. The Jaguars have scored three touchdowns on special teams while allowing only one. In addition, the Jaguars lead the NFL in that time with six onside kicks recovered in 11 attempts, whereas their

opponents have tried six inside kicks and recovered none.

In 1995, Jacksonville led the NFL in net punting, ranked fifth in opponents' punt return average and broke the previous record for points scored by an expansion kicker. After the '95 season, Pasquale was one of six coaches nominated for the Special Teams Coach of the Year Award. In 1996, he molded a group of players — many of whom joined the team after the start of the season — into cohesive units that ranked among the best in the NFL. Also, Pasquale developed Mike Hollis into one of the league's top placekickers. Hollis scored 99 points in the Jaguars' final 10 games of the season (counting playoffs).

During his coaching career, Pasquale's special teams units have produced 36 touchdowns in the regular season and preseason, while allowing only four blocked punts in 18 years.

Pasquale, 56, is in his 35th year in coaching, which includes four seasons at the high school level, 10 in college and two in the CFL. After serving as wide receivers and special teams coach for the Montreal Alouettes in 1978 and '79, he entered the NFL in 1979 as special teams coach for the Detroit Lions. In 1980 he joined the New York Jets as wide receivers coach, then he took over the Jets' special teams the following year for the next nine seasons.

With the Jets, Pasquale led an impressive run of high special teams rankings. The Jets had the NFL's top-ranked punt-coverage teams in 1981 and from 1986 to '88, as well as a second-place ranking in 1989. In 1984, the Jets also had the top-ranked kickoff return team. Under Pasquale, the Jets had an 80 percent success rate on fake field goals and fake punts while never allowing an opponent to convert a faked kick.

In 1990 and '91 Pasquale coached San Diego's special teams, which he boosted to the top ranking among all NFL teams in kickoff return average and punt coverage in his first season. In 1990, he was selected the NFL's Special Teams Coach of the Year by his peers.

Pasquale played college football at the University of Bridgeport (Conn.), where he earned bachelor's and master's degrees in physical education. He has also completed post-graduate work at Columbia and Fairfield University. Pasquale was born March 21, 1941 in Brooklyn, N.Y. He and his wife, Joann, have two daughters, Lisa (8/11/66) and Lauren (10/22/72), a son, Darrell (4/19/70), and a son-in-law, Ben.

## DEFENSIVE LINE COACH

**NFL: 12TH SEASON**

**JAGUARS: 3RD SEASON**

John Pease was named defensive line coach on January 12, 1995 following nine seasons as defensive line coach for the New Orleans Saints. Pease, 53, is a veteran of 27 years in coaching, a career that also includes 13 years at the college level and three in the USFL.

Last season, the Jaguars made a dramatic improvement in quarterback sacks, going from 17 in 1995 — last in the NFL — to 37 sacks, ranking 10th in the league. Pease was instrumental in coaching Tony Brackens, who ranked second among rookies with seven sacks, and Pease rotated seven and eight players throughout every game. In fact, all four of the Jaguars' defensive ends in

1996 (Brackens, Jeff Lageman, Clyde Simmons and Joel Smeenge) had at least 4.5 sacks. The defensive line allowed only 111.3 rushing yards per game, an improvement from the 125.2 rushing yards per game it yielded in 1995.

Pease began his fulltime coaching career at Fullerton College in 1970, serving four years there as defensive coordinator. He also had stints at Long Beach State (1974-76), Utah (1977) and Washington (1978-82).

From 1983 to '85, he was on the coaching staff of the Philadelphia/Baltimore Stars of the USFL under head coach Jim Mora. The Stars won the USFL championship in 1984 and '85. When Mora was named head coach of the Saints, Pease joined him in New Orleans, where he had been from 1986 until joining the Jaguars in 1995. The Saints were a playoff team three of Pease's last five seasons.

A graduate of the University of Utah, Pease began college at Fullerton Junior College, where he was a two-time Junior College All-America selection. He transferred to Utah and was named All-Western Athletic Conference as a senior wingback. From 1965 to '67, Pease served in the military in Puerto Rico and coached at Antilles High School. In 1968 and '69, he was a graduate assistant at Utah prior to moving to Fullerton the next year.

Pease was born October 14, 1943 in Pittsburgh. He was on the training camp roster of the Los Angeles Rams after his final collegiate season. John has two daughters, Tracy and Kristen. He and his wife, Chris, live in Jacksonville.

He is primarily responsible for coaching 1996 No. 1 draft choice Kevin Hardy, the team's highest-selected defensive player ever. Last season, Hardy exceeded expectations by making 130 tackles (second on the team), as well as 5.5 sacks and two interceptions, which tied for the team lead.

In 1997, Selmon adds third-round pick James Hamilton to his outside linebacking corps.

The oldest of the three famed Selmon brothers who were all consensus All-Americans at Oklahoma, Selmon graduated in 1974 with a degree in special education. He was a teammate with his younger brothers, Dewey and Lee Roy, for just one season but was a letterman from 1971 to '73. As a senior in 1973, Selmon served as team captain and was a finalist for the Heisman Trophy, runner-up for the Outland Trophy and the Lombardi Award, Defensive Player of the year in the Big Eight Conference and Chevrolet Player of the Year.

After his outstanding college career, Selmon played in the World Football League for the Memphis Southmen in 1974 and '75. He returned to Oklahoma in 1976 to begin his coaching career

**NFL: 3RD SEASON**

**JAGUARS: 3RD SEASON**

Steve Szabo joined the Jaguars coaching staff on March 3, 1994 after three seasons as defensive coordinator at Boston College. A veteran of 26 seasons in coaching at the college level, Szabo also served three years as a college head coach.

Because the Jaguars employ a 4-3 "under" defense, Szabo coaches the team's inside linebackers — Bryan Schwartz, Tom McManus and Eddie Robinson — who are called the MIKE and WILL linebackers. In both 1995 and '96, Szabo has coached the Jaguars' leading tackler — Schwartz, who had 161 tackles as a rookie in '95, and Robinson, who set a team record with 165 tackles last year. The Jaguars' inside linebackers have accounted for more than one-third of the team's total tackles both seasons. Last year Szabo groomed McManus as an able replacement for Schwartz, who was lost for the season after an injury in the fourth game. McManus finished with 119 tackles, third on the squad.

A former college running back and defensive back, Szabo began his coaching career in 1969 at Johns Hopkins followed by stops at Toledo (1970), Iowa (1971-73), Syracuse (1974-76), Iowa State (1977-78), Ohio State (1979-81), Western Michigan (1982-84), Northern Iowa (1988) and Colorado State (1989-90). From 1985 to '87 Szabo was head coach at Edinboro University in Pennsylvania.

After serving two seasons as defensive coordinator under Earl Bruce at Colorado State, Szabo joined Tom Coughlin's Boston College staff in 1991. In all, Szabo coached in a total of nine bowl games representing five different colleges.

As a halfback and defensive back at the United States Naval Academy from 1961 to '64, Szabo was a teammate of Heisman Trophy winner Roger Staubach. As a junior in 1963, Szabo played on the Navy team that ranked second in the nation and played for the national championship in the Cotton Bowl. He also played lacrosse for three national championship teams at the Naval Academy. Szabo graduated in 1965 with a bachelor's degree in naval science. After graduation he was stationed at Quantico from 1965 to '69, where he continued playing football for the Marines.

#### WHAT THEY SAY ABOUT TONY BRACKENS

"I see Tony breaking a lot of records. This is a guy that has all the ability in the world. He's going to make a lot of heads turn as his career goes on. He just needs to decide when he wants to be great. Once he decides, people are going to realize how talented this young man is."

— Jaguars defensive end Clyde Simmons

"You don't see many guys like him come into the league. He has some real gifts."

— Jaguars defensive line coach John Pease

"Tony is an incredible guy coming off the corner. He has really good speed and quickness, and he's relentless after the quarterback. When he lines up on the field, they have to be aware of where he is because of the simple fact that he *is* going to get pressure on the quarterback."

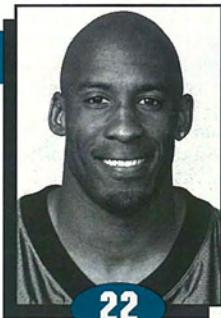

— Jaguars safety Dana Hall

"Tony Brackens has provided us with an incredible amount of speed in our pass rush. If we get a little overaggressive in our pass rush and (the opposing quarterback) breaks containment, then he can run them down. The strange thing about what Tony Brackens has done is he still doesn't have any moves. He gets a lot of sacks on just his speed alone. A Clyde Simmons or myself, we have moves. Tony Brackens is just plain gifted."

— Jaguars defensive end Jeff Lageman

**WHY JAGUARS?**

Finalists in the contest to name the NFL's expansion team in Jacksonville included Sharks, Stingrays and even Panthers, but it was "Jaguars" that was ultimately selected and announced on December 6, 1991. Utilizing the services of the marketing experts from NFL Properties' Creative Services division and with the partners of Touchdown Jacksonville!, the enthusiastic fans of Jacksonville finally had a name to call what just less than two years later would become the 30th franchise to join the NFL.

Although thousands of entries were received when a contest was held to name the team, a majority of hundreds agreed with the name "Jacksonville Jaguars." Of those who submitted the name Jaguars, Jacksonville resident Ray Potts was randomly selected as the contest winner and for his contribution was provided a trip to the Super Bowl that year.

Considered the most aggressive and feared big cats in North America, the Jacksonville Jaguars look to pay tribute to their namesake in championship form.

### WHAT THEY SAY ABOUT MARK BRUNELL:

"Once he learns to balance the run and pass a bit more, he will be something. You may be looking at the next Steve Young."

—Packers safety Eugene Robinson

"The next Steve Young if he keeps hook-sliding."

— Gordon Forbes, *USA Today*

"There are definite similarities — the way the players carry themselves, their movement abilities, how they throw the ball, their abilities to be spontaneous and make big plays. One player has taken his team to the Super Bowl and the other player is working to do that."

—Former 49ers head coach George Seifert

"Mark has his own style. He's always going to keep you in the game with his arm or his feet. He is just a defensive back's nightmare, because you don't know if he's going to run or throw, and he may do both."

— Green Bay Packers safety LeRoy Butler

"Brunell is kind of like another quarterback we saw (last) season. That quarterback is Brett Favre — only thing is, Brunell is faster than Favre. We've never faced a guy who could do the things that he did to us."

— Denver Broncos defensive end Alfred Williams

"We have seen the future John Elway, and he is Brunell."

— *Denver Post* sports columnist Woody Paige

"There's definite leadership there with Mark. There's physical toughness the other players can rally around. There isn't any question in my mind that he's going to improve. He's a great athlete. He's got size, speed, he's strong and courageous."

— Jaguars head coach Tom Coughlin

"He's a great athlete, a great competitor. He's the reason they're having the success that they are."

— Denver Broncos head coach Mike Shanahan

"Mark Brunell is not a future NFL star. He is quite possibly the best quarterback in the league right now."

— Jim Ryan, *Rocky Mountain News*

"Guys like Brunell drive defenses nuts with their ability to improvise."

— Former Jets head coach Rich Kotite

"You have to try to keep Brunell in the pocket. This is tough. He can really frustrate defensive players. Just when they think they have him for a loss, he gets away and makes a big play. When he pulls the ball down, he's not looking to run out of bounds. And at the same time, he's pretty effective throwing it."

— Pittsburgh Steelers head coach Bill Cowher

"All of the defenses are afraid of him breaking containment. He's like another running back in the backfield."

— NBC broadcaster Beasley Reece

"I have no idea where he is (when I'm blocking). I just try to stay with my man as long as I can — and then I look up and he's running 20 yards downfield."

— Jaguars offensive tackle Tony Boselli

"I studied players throughout the 1994 season, and I was excited about Mark's athleticism, his leadership, his toughness, his ability to move in the pocket and his arm strength. I just felt like this would be the guy that we would want to lead our team."

— Jaguars head coach Tom Coughlin

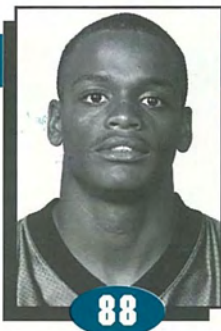

"He's only 6-1. You're supposed to be 6-4 or 6-5 today to get it done. Mark Brunell is short by NFL standards, but who can argue with the results?"

— ABC broadcaster Dan Dierdorf

#### WHAT THEY SAY ABOUT JOHN JURKOVIC

"He's a throwback. When they hike the ball, he's going to have no regard for his body. He brings pressure up the middle and a relentless attitude on every play. He makes everyone around him better."

— Jaguars director of pro personnel Ron Hill

"I think he probably is one of the most underrated players in the league. He has a great ability to play his job as a technician. He knows how to hand-fight in the confined area. He knows all the tricks and is a very intelligent football player. He makes plays."

— Packers defensive coordinator Fritz Shurmur

"A team absolutely needs a guy like Jurko. Don't overestimate his sense of humor — a sense of humor doesn't mean he's not serious. He does have a sense of humor, but there's a very dark, serious side to him. When he plays, you see that."

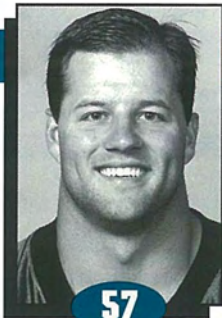

— Jaguars defensive line coach John Pease

### WHAT THEY SAY ABOUT JEFF LAGEMAN

"He'd like to have more sacks, but that is overrated. You're going to get the same effort from Lageman whether it's run or pass. You have to be impressed by the guy, his motor and how hard he plays the game. If you're the guy playing over him, you're in for a long day."

### WHAT THEY SAY ABOUT BRYAN SCHWARTZ

"I don't think he knows how good he really is. He's got all the physical tools, he plays hard and is smart. He had to take those big linemen on straight up a lot, and when you saw him try to blast through those guys, you knew he had what it took."

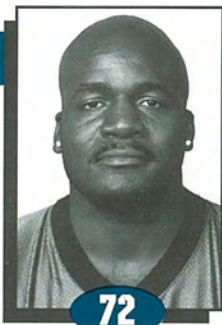

— Jaguars defensive end Jeff Lageman

"I really think his best football is in front of him. There's no question about that."

— Jaguars head coach Tom Coughlin

"He has more (middle linebacker) ability than anybody in the league. The reason he makes the plays he makes is he's a strong guy with speed. I've never seen a linebacker who runs as well as he does. When he learns the game, watch out!"

#### WHAT THEY SAY ABOUT DAVE WIDELL

"His attitude overflows to the other guys. He's looked upon here as a leader. He's a fighter. If you're in a foxhole, he's the guy you want next to you. Even though it's hot and he's tired, he's not going to let other people know. He's a very intense individual — very much in tune to the chemistry aspect of our offensive line. He's always thinking."

— Jaguars offensive line coach Mike Maser

### THE STEWART WATCH

Until injuring his toe in the 12th game of the 1996 season, RB James Stewart was on pace to gain 1,000 yards for the season. For the year, Stewart led the team with 723 yards rushing. Until his injury, he was projected to gain 1,015 yards for the season. Stewart also scored 10 touchdowns (eight rushing, two receiving) in 1996, which ranked 14th in the NFL despite playing little the final four games. Here's how Stewart compares to the four other running backs who were drafted in the first round of the 1995 draft.

<b>JACKSONVILLE JAGUARS (1-0)</b>	<b>7</b>	<b>7</b>	<b>0</b>	<b>10</b>	<b>—</b>	<b>24</b>

The Jaguars opened their second season by breaking several team records en route to a 24-9 domination of the defending AFC Champion Pittsburgh Steelers. Mark Brunell, starting on opening day for the first time, threw scoring passes to Willie Jackson and Keenan McCardell as the Jacksonville defense recorded four sacks and did not allow a touchdown for the first time. The Jaguars drove 80 yards in eight plays on their first possession, and Jackson capped the series with a 38-yard catch and run. Pittsburgh got field goals of 48 and 29 yards from Norm Johnson to narrow the lead to 7-6 in the second quarter, but the Jaguars responded with a 15-yard TD pass from Brunell to McCardell with 21 seconds left in the first half to build a 14-6 lead. Johnson's third field goal from 23 yards in the third period ended Pittsburgh's scoring, and Jacksonville added a 52-yard Mike Hollis field goal and a one-yard James Stewart plunge in the final quarter. Jim Miller made his first start at QB for the Steelers, but gave way to Kordell Stewart and then Mike Tomczak for the final quarter as the Steelers completed just 12 passes.

A Jaguars rally came up short with two turnovers inside the Houston 10-yard line in the final 3:08. After falling behind 34-20 with 7:27 remaining in the game, the Jaguars marched to the Houston 15-yard line before losing a fumble at the two. Jacksonville forced the Oilers to punt from their own endzone, and Chris Hudson took the return 46 yards to the three. WR Keenan McCardell hauled in Mark Brunell's pass in the endzone on the next play, and Mike Hollis' PAT narrowed the margin to 7 points. Hollis then executed a perfect onside kick, which Dave Thomas recovered with 2:28 remaining. Four plays later, Brunell threw down the middle to Pete Mitchell, but he was unable to pull in the high pass and Marcus Robertson made a diving interception — his second of the day — at the 7-yard line. After a 10-10 first quarter, the Oilers had pulled away in the second with a 63-yard cross-field throw from Chris Chandler to Malcolm Floyd. RB Eddie George had 143 rushing yards, including a 76-yard run.

For the second week in a row, the Jaguars were in possession of the ball and in position to tie the game in the final three minutes before their comeback was again ended by an interception. Trailing 10-3 in the fourth quarter, the Jaguars marched to the Raiders' 26-yard line in eight plays after converting a 4th-and-5 into a first down with 2:30 remaining. The Jaguars were forced to punt on six of their first seven possessions before Mike Hollis kicked a 33-yard field goal in the third period. The Raiders had built a 10-0 first half lead with a 19-yard pass from QB Jeff Hostetler to WR Tim Brown and a 32-yard field goal. Hostetler made his first start of the season and completed 18 of 27 passes for 200 yards. Despite a statistical domination of the Saints, Jacksonville had to come back from a 10-0 deficit to build a 13-10 fourth-quarter lead, but the Saints marched 81 yards on their final drive to score the winning touchdown with 1:45 remaining. New Orleans opened the scoring on its second drive which was capped by Mario Bates' one-yard run. A James Stewart fumble on the Jaguars' ensuing possession set up Doug Brien's 27-yard field goal to give New Orleans a 10-0 head start. Mark Brunell threw a 21-yard scoring pass to Stewart in the second quarter. Jacksonville opened the third quarter with an 11-play series covering 75 yards, but on 3rd-and-4 from the Saints' 5-yard line Brunell completed a pass to Jimmy Smith who was hit and fumbled at the one-yard line. After the defense held New Orleans, Chris Hudson gathered in a punt and raced 60 yards to the Saints' 21, setting up Hollis' 36-yard field goal to tie the score at 10-10. Jacksonville took its first lead of the day on Hollis' 19-yarder after a 13-play drive stalled at the Saints' 2-yard line. New Orleans then went 81 yards in nine plays including a pass interference call on Jacksonville, which placed the ball at the 6-yard line. Jim Everett then hit Torrance Small with the game-winner. With 1:45 remaining, Brunell directed the Jaguars to the Saints' 41, but two Hail Mary passes were batted down to give the Saints their first win of the season.

<b>NEW YORK JETS (0-7)</b>	<b>7 7 0 3 — 17</b>
<b>JACKSONVILLE JAGUARS (3-4)</b>	<b>3 11 7 0 — 21</b>

Randy Jordan returned the opening kickoff 73 yards to set up a field goal, giving the Jaguars a 3-0 start, but Jacksonville had to battle back from a 14-3 deficit to claim its third win of the season. Jets QB Frank Reich threw touchdown passes on the team's second and third possessions, then Kevin Hardy stopped the Jets' next drive with an interception at midfield, setting up Mike Hollis' second field goal from 40 yards. On the Jaguars' next series, Mark Brunell began a season-best 93-yard drive with a 62-yard completion to Jimmy Smith, and capped it four plays later with a 15-yard scoring pass to Smith. Brunell then threw to Keenan McCardell for the two-point conversion to knot the score at 14-14. Dave Thomas' interception at the Jacksonville 24-yard line just before halftime preserved the score. In the third period, Brunell hit Willie Jackson on a short pass and Jackson took it 41 yards into the end zone to give the Jaguars a 21-14 lead. Nick Lowery put his name in the NFL record book with his 20-yard field goal in the final stanza, giving him his 374th field goal to pass Jan Stenerud. The Jacksonville defense then held off a Jets comeback attempt, forcing Reich to throw four incomplete passes in the final minute-and-a-half.

 TRANS WORLD DOME

<b>JACKSONVILLE JAGUARS (3-5)</b>	0	7	7	0	—	14
<b>ST. LOUIS RAMS (2-5)</b>	10	0	7	0	—	17

Despite breaking or tying 28 team records for single-game performances, the Jaguars fell victim to five interceptions inside the St. Louis 15-yard line. The game ended amid controversy when the Jaguars were unable to get off a play after Willie Jackson was tackled by Todd Lyght at the St. Louis five, preventing a game-tying field goal attempt. Jacksonville traveled 89 yards on the final series after starting at its own six with 2:38 remaining in the game and two timeouts left, but in the end time would expire on the Jaguars. The Rams' Anthony Parker opened the scoring with his 92-yard interception return for a touchdown on the Jaguars' first drive. The Rams quickly added a field goal for a 10-0 lead after Kendrick Bullard fumbled on the ensuing kickoff. Jacksonville marched again, only to be intercepted at the St. Louis 12. All five Rams interceptions came near their own endzone — at the 8-, 12-, goal line, 7- and 2-yard lines — as Jacksonville finished with two touchdowns and three interceptions on five trips into the red zone. Of the Jaguars' nine drives, five consumed 10 or more plays and six covered 63 yards or more.

<b>CINCINNATI BENGALS (4-4)</b>	<b>0</b>	<b>7</b>	<b>0</b>	<b>21</b>	<b>—</b>	<b>28</b>

Playing their first division game in seven weeks, the Jaguars lost for the first time in 1996 after leading at the start of the fourth quarter. The Jaguars had taken a 14-7 lead in the third period on Natrone Means' 11-yard reception from Mark Brunell, but Cincinnati roared back with 21 fourth-quarter points to claim a win in their first game under head coach Bruce Coslet, who replaced Dave Shula several days earlier. In the second quarter, a 14-yard QB draw by Mark Brunell and an 11-yard catch by Carl Pickens left the score tied 7-7 at the half. Means scored the first receiving TD of his career in the third quarter to give Jacksonville a 14-7 lead which held until the end of the quarter, but Pickens' second touchdown came on the first play of the fourth period to even the score again. Cincinnati then scored on each of its next two possessions, building a 28-14 bulge on one- and four-yard runs by Ki-Jana Carter. Brunell marched the offense 79 yards in nine plays before hitting Jimmy Smith with an 11-yard scoring pass with 1:35 left to get within seven. Jacksonville's onside kick attempt was recovered by the Bengals, but the game was halted for 15 minutes as Dana Hall and Dave Thomas were injured on the kickoff.

Scoring a franchise-record 27 second-half points, the Jaguars battled back from an 11-point deficit to get their fourth victory of the season. Mark Brunell threw for 354 yards and ran for a team-leading 58 yards, including the game-winning score. After Baltimore's lead of 11 points (27-16), Brunell marched the Jaguars 90 yards in nine plays, scoring on an eight-yard screen pass to James Stewart. The two-point conversion attempt failed, leaving Jacksonville behind by five points at 27-22. The next drive covered 66 yards in eight plays, with Brunell scoring on a one-yard bootleg to take the lead. He then hit Keenan McCardell with a two-point conversion pass to build a three-point margin with 41 seconds remaining. Clyde Simmons secured the victory when he sacked Testaverde at the Ravens' 36, forcing and recovering a fumble on the play.

■ PK Mike Hollis, who had not had a field goal attempt in four weeks, converted all three tries and had 10 points while extending his field goal streak to seven straight.

■ Mark Brunell's 354 passing yards were the most ever by any quarterback at Jacksonville Municipal Stadium, topping the 325 by Testaverde for the Cleveland Browns in the 1995 season finale.

■ The Jaguars' three fumbles caused by sacks snapped a four-game stretch in which they had not recovered an opponent's fumble.

<b>PITTSBURGH STEELERS (8-3)</b>	<b>0</b>	<b>14</b>	<b>14</b>	<b>0</b>	<b>—</b>	<b>28</b>

Utilizing its famed zone blitz defense, Pittsburgh forced three turnovers which led directly to 21 points, as the Steelers avenged their opening-day loss to Jacksonville. After Jason Gildon sacked Mark Brunell and forced a fumble, it only took one play for Pittsburgh to capitalize, on a three-yard blast by Jerome Bettis. The Steelers' two touchdowns in 65 seconds gave them a 14-0 advantage, and Mike Hollis got the Jaguars' only points on a 40-yard field goal on the last play of the half. Pittsburgh scored twice again in the third quarter, striking early on Carnell Lake's 85-yard fumble return which killed Jacksonville's first possession of the second half and gave Pittsburgh a 21-3 lead. The Jaguars had marched 70 yards in 12 plays to the Pittsburgh seven, but Brunell was blindsided by the blitzing Lake, who forced a fumble and scooped it up to turn a potential four-point lead into an 18-point bulge. Two series later, Pittsburgh forced another turnover when Deon Figures intercepted Brunell at the Pittsburgh 44. The Steelers took six plays to score, with Yancey Thigpen getting his second TD on a 27-yard pass from Mike Tomczak to close out the scoring with a minute left in the third quarter.

■ The Jaguars defense prevailed, as Pittsburgh completed just seven of their 25 passes, had only 90 net passing yards, and AFC rushing leader Bettis was limited to just 53 yards on 21 carries.

The Ravens built a 10-0 lead early in the second quarter before the Jaguars' first score, a one-yard plunge by James Stewart. Matt Stover boot-ed three field goals in the period while Mike Hollis kicked one, as Baltimore led 16-10 at the half. The Ravens marched 54 yards in eight plays to set up Bam Morris' one-yard TD run in the third quarter. Baltimore had a 25-10 lead going into the fourth quarter when, for the second time in three weeks, Mark Brunell directed a fourth-quarter comeback to beat Baltimore. He hit Pete Mitchell with an 11-yard TD pass early in the quarter to narrow the margin to eight. After Eddie Robinson recovered a Vinnie Testaverde fumble, Brunell found Willie Jackson in the end zone for a seven-yard TD pass, and Brunell powered across the goalline for a two-point conversion to tie the score at 25-25 with 1:24 remaining. In overtime, Jacksonville won the coin toss, but went three-and-out. The Ravens moved to the Jacksonville 38, but Earnest Byner fumbled and Kelvin Pritchett recovered. Nine plays and 48 yards later, Hollis nailed the game-winner from 34 yards.

<b>JACKSONVILLE JAGUARS (6-7)</b>	<b>13</b>	<b>3</b>	<b>11</b>	<b>3</b>	<b>—</b>	<b>30</b>

On Cincinnati's first possession, Clyde Simmons blocked Doug Pelfrey's 42-yard field goal try and Mickey Washington scooped up the ball to score from 65 yards. Washington then picked off Jeff Blake to set up Mike Hollis' first three-pointer. Cincinnati scored on a 23-yard Jeff Blake to Carl Pickens pass, the first of Pickens' three TD catches on the day. Hollis and Pelfrey exchanged field goals before the Bengals took the lead for the first time at 17-13 on Pickens' second score. Hollis nailed a 40-yarder for a 17-16 halftime lead, and his 39-yarder at the start of the third period reclaimed the lead for Jacksonville. The Bengals went on top on the next series, but the Jaguars roared back with a 48-yard TD pass from Mark Brunell to Keenan McCardell. Brunell then hit Willie Jackson with a two-point conversion to stake a 27-20 lead. Hollis extended the lead to 30-20 on his final field goal with 2:04 left. <b>HOUSTON OILERS (7-7)</b>	<b>0</b>	<b>7</b>	<b>0</b>	<b>10</b>	<b>—</b>	<b>17</b>

Keeping alive their playoff hopes, the Jaguars extended their winning streak to three games. They jumped out to an early lead, marching 73 yards on their first possession to set up Natrone Means' first rushing TD of the season. Means' fumble at the Jaguars' 26-yard line set up Houston's first score, a 23-yard pass from Steve McNair to Ronnie Harmon early in the second quarter. The Jacksonville defense got the ball back on a fumble on Houston's next series, leading to a 34-yard Mike Hollis field goal. The Oilers then drove into field goal range at the end of the half before Aaron Beasley forced a fumble to end the Oilers' threat. In the second half, Chris Hudson picked off a McNair pass at the Jaguars' 26 and returned it to the 47-yard line, from where Brunell directed a nine-play, 53-yard series which was capped by Means' second TD on a five-yard run, giving the Jaguars a 17-7 edge. Houston responded with a six-yard scoring run by Eddie George, narrowing the deficit to three points at 17-14 early in the final period. Hollis' 38-yard field goal gave Jacksonville a six-point lead before Tony Brackens sacked McNair and forced a fumble at the Houston 32. Hollis nailed a 31-yard field goal to extend the Jaguars' lead to 23-14 with 1:56 remaining.

The Jaguars had to wait until the final four seconds of the regular season before claiming their first-ever playoff berth with a 19-17 win over Atlanta. The Jaguars led the entire game, starting with a methodical 10-play, 77-yard drive on their first possession, which Mark Brunell capped with an 11-yard run. Morten Andersen hit a 46-yard field goal in the second quarter for Atlanta's first points before Mike Hollis nailed three consecutive short field goals from 23, 26 and 22 yards for a 16-3 lead. Bobby Hebert found an open Eric Metcalf in the endzone from four yards out to get the Falcons within six points at 16-10 late in the third quarter. Hollis' 42-yarder early in the fourth period put Jacksonville up 19-10, but the Falcons marched 77 yards in 12 plays to set up Craig Heyward's two-yard plunge with 5:39 left in the game. The Jaguars went three-and-out and gave Atlanta possession at its own 30-yard line, from where Hebert directed an 11-play series to the Jacksonville 13. Andersen's 30-yard field goal attempt, which would have given the Falcons a one-point lead with four seconds remaining, sailed wide left as the game ended and the stunned Jaguars team celebrated.

Jacksonville struck again with a 17-play series that lasted 8:32 and covered 88 yards, setting up Hollis' field goal from 22 yards. Denver marched 57 yards for Terrell Davis' two-yard TD run, capped by Davis' two-point conversion. Brunell followed that with a 74-yard drive, highlighted by his 29-yard run to the Denver 21 which set up a perfectly lofted pass into the end-zone to Jimmy Smith to reclaim a 10-point lead at 30-20 with 3:39 remaining. With no timeouts left, John Elway responded again, hitting Ed McCaffrey with a 15-yard TD pass to get within three points again with 1:50 left. Le'Shai Maston recovered Denver's onside kick attempt, and Brunell knelt down three times to set off Jacksonville's celebration.

# AFC CHAMPIONSHIP GAME PATRIOTS 20, JAGUARS 6

JANUARY 12, 1997  
FOXBORO STADIUM

<b>JACKSONVILLE JAGUARS (11-8)</b>	<b>0</b>	<b>3</b>	<b>3</b>	<b>0</b>	<b>—</b>	<b>6</b>
<b>NEW ENGLAND PATRIOTS (13-5)</b>	<b>7</b>	<b>6</b>	<b>0</b>	<b>7</b>	<b>—</b>	<b>20</b>

The game began ominously for Jacksonville on its first series, when Bryan Barker fielded a high snap from center but was tackled at the Jaguars' four-yard line. Two plays later, Curtis Martin scored to give the Patriots a 7-0 lead. Late in the first quarter, Tom McManus tipped a Drew Bledsoe pass and Aaron Beasley snared the ricochet at the Jacksonville eight. Mark Brunell turned that into a 13-play, 62-yard series leading to a 32-yard Mike Hollis field goal. The Patriots recovered Chris Hudson's fumbled punt return at the Jacksonville 19 and turned it into a 29-yard field goal and a 10-3 lead. New England added a 20-yarder on the final play of the first half. The final period included three turnovers by the Jaguars on their last four possessions. The Jaguars drove to the Patriots' five-yard line in eight plays, to face a second-and-goal from the five with a chance to tie the score at 13. Brunell tried to thread a pass over the middle to Derek Brown in the back of the endzone but was picked off by Willie Clay. The defense held and Jacksonville took over at its own 42 with 2:36 remaining. On the first play, James Stewart fumbled and Otis Smith caught the ball out of the air before racing 47 yards for the clinching TD that put New England up 20-6.

## RADIO BROADCASTS

The Jaguars' radio team: Brian Sexton and Matt Robinson

Returning for their third year of broadcasting Jacksonville Jaguars football on WOKV will be Brian Sexton and Matt Robinson. Sexton will again handle the play-by-play, while Robinson will do the color.

Sexton, 28, is the voice of the Jaguars and the youngest play-by-play broadcaster in the NFL. He is also host of the "Monday Morning Quarterback" at 7 a.m. and "The Longhorn Kickoff Show" on Fridays. Both shows air on WOKV. Formerly sports director at WOKV, he came to Jacksonville from Wichita, Kan., where he served as assistant sports director at KNSS in 1993 and hosted various pregame and postgame shows in addition to handling play-by-play for the Wichita State University Radio Network. He is also the host of The Tom Coughlin Show, which airs on WOKV at 6:00 p.m. on Thursday nights. He is engaged to Jennifer Schuman.

Robinson, 42, a former NFL and USFL quarterback, has expertise on the other side of the microphone. A former University of Georgia star, he played six seasons in the NFL for the New York Jets, Denver Broncos and Buffalo Bills. Robinson came to Jacksonville in 1984 as captain and quarterback for the Bulls of the USFL. After his retirement in 1986, he remained in Jacksonville with several business interests in the area. Robinson is the host of "Beyond the Concentration Line" with head coach Tom Coughlin, which airs on WTLV Channel 12 at 6:30 p.m. on Saturdays. In 1997, he broadcast two World League games for Fox Sports. He sits on the board of trustees of the North Florida Chapter of the National Multiple Sclerosis Society and the St. Johns County United Way and is a member of the Jacksonville Chamber of Commerce Sports Council. Robinson and his wife, Necole, have a son, Tyler, and a daughter, Mattison.

Joining Sexton and Robinson on Jaguars radio broadcasts will be Jennifer Kumik, Cole Pepper and Vic Ketchman on the pre-game show, and Pepper joins former Oakland Raiders star Pete Banaszak on the post-game show.

## ALLTEL STADIUM

They said it couldn't be done. They said it wouldn't be ready. But, on August 18, 1995, when the Jacksonville Jaguars played their first game in their new stadium, it marked the first time in sports history that an expansion team had played its first home game in its first season in a new stadium or arena.

Two years later, on April 18, 1997, Jacksonville Municipal Stadium was re-named ALLTEL Stadium after the Little Rock, Ark.-based wireless telecommunications and information services company that is listed in Forbes 500 and Fortune 500. ALLTEL also has a regional office in Jacksonville that employs more than 1,000 employees. Revenue from the 10-year grant of naming rights — a total of \$6.2 million — is shared equally between the Jaguars and the city of Jacksonville.

In the short period of 19 1/2 months, the old Gator Bowl was demolished and a new spectacle arose on the shores of the St. Johns River. ALLTEL Stadium was built faster than any major-league stadium has ever been built in North America.

And, very quickly, it was called the best stadium in the country. Just seconds before the Jaguars kicked off their first regular-season game on September 3, 1995, NBC broadcaster Don Criqui said, "There isn't a better football facility in America" Now in its third year of operation, ALLTEL Stadium is still drawing raves.

The stadium features two unique "signature" features, both of them state-of-the-art. The first are the two Stadium Clubs, which are located on both sides, and the enormous twin 60-by-156-foot scoreboards with 24 by 32-foot Sony JumboTron screens. ALLTEL Stadium has the greatest square footage of scoreboards anywhere in the country.

The Clubs and all 10,000 Club Seats are located at midfield, rather than being spread out horizontally through the stadium. Each Club — with entrances that are glass-enclosed, 100-foot-high atriums — provides more than 65,000 square feet of air-conditioned comfort with a variety of food and beverage selections. In all, 75 percent of the seats in ALLTEL Stadium are located on the sides, with just 25 percent behind the end zones.

ALLTEL Stadium seats 73,000, but additional temporary seats are added behind the South End Zone — expanding the capacity from 73,000 to more than 80,000 — for the annual Florida-Georgia game, the Gator Bowl ... and perhaps someday a Super Bowl.

The construction of ALLTEL Stadium in the record 19 1/2 months

was unprecedented. Like with a football team, 12 different consulting companies shaped the construction. Demolition began on the old Gator Bowl on January 3, 1994, with approximately 90 percent of the old stadium torn down. In fact, the only portion salvaged was the west upper deck, which had been added in 1982.

A total of 121 subcontractors had a hand in the job ... all in all, thousands of people worked on the stadium from start to finish. And on Friday, August 18, 1995, ALLTEL Stadium opened its doors to more than 70,000 Jaguars faithful.

#### **WHAT THEY SAY ABOUT JACKSONVILLE MUNICIPAL STADIUM:**

"(Jacksonville is) the most enthusiastic place I've ever seen. (The stadium has) been an impetus to the community like you've never seen. You could say that's money well spent."

— Pittsburgh Steelers owner Dan Rooney

"I think we've raised the bar on how stadiums are gong to be built in the future. The two magnificent Stadium Clubs are unique in any stadium. This stadium is already a candidate to host a Super Bowl game; all we need is the hotel rooms."

— Jaguars owner Wayne Weaver

"There are a lot of things to impress us about this stadium. The club seat arrangement, the sight lines — really everything about it."

— Cincinnati Bengals general manager Mike Brown

"The (stadium) is a visually stunning structure that reflects the NFL's collective best thinking on how to build a stadium that maximizes a team's revenue-generating potential while also enhancing fan enjoyment."

— Cincinnati Post
