

## WEBSITE ACCESSIBILITY STATEMENT

*Revised: May 2018*

Jacksonville Jaguars, LLC (the “Club”) is committed to facilitating the accessibility and usability of its website, Jaguars.com, for users with disabilities. Working with a retained accessibility consultant, the Club will be further implementing over time the relevant portions of the World Wide Web Consortium’s Web Content Accessibility Guidelines 2.0 Level AA (“WCAG 2.0 AA”) as its web accessibility standard, which will also bring Jaguars.com into further conformance with the Section 508 Web Accessibility Standards developed by the United States Access Board (“Section 508”). Our website will be tested on a periodic basis with assistive technology such as screen readers and screen magnifiers, and with users with disabilities who use these technologies.

Below are some of the steps we are taking under our website accessibility policy.

- The National Football League has engaged an experienced accessibility consultant, The National Center for Accessible Media at WGBH (“NCAM”), to conduct a website accessibility audit and provide the Club with specific recommendations to facilitate website accessibility and conformance with WCAG 2.0 AA standards.
- The retained accessibility consultant will provide training on a periodic basis for the Club’s web development team on WCAG 2.0 AA and Section 508 conformance.
- On an ongoing basis, the Club will have periodic website accessibility audits, as well as end-user accessibility testing and evaluation of Jaguars.com, conducted in order to provide prioritized feedback to the Club regarding conformance with WCAG 2.0 AA standards.
- The Club has adopted a website accessibility policy to support its commitment to the accessibility of Jaguars.com.
