Motion to accept treasurers report by Emi; seconded by Sarah. No discussion. Motion passed unanimously.

DES Report- Wade Pelham and Jim Talvy

- Education outreach last week during 2-day GSOWA conference in Manchester
- Wild NH Day 4/19/25 to include clean water act outreach, GetPumped NH
- Had a meeting with engineering firm regarding grease disposal – what makes for a successful grease receiving program for other plants to be adaptable to that; such as can we do this and make money on this. This was the first meeting.
- Portsmouth is looking at funding options to enhance septage receiving at Pease. It is mostly commercial industrial now. There are challenges with the amount of storage they have so cannot take an infinite amount. There is also a highway nearby for easy access to facility. The SAG Plus Program offers 10 percent grants for projects expending septage receiving in NH and an extra 2% for the towns; funding has to be reauthorized by legislation every year.

DES- Jim Talvy

- Busy with renewals: new trucks and reporting – 99.5% compliant
- 745 trucks now permitted for NH and over 200 companies; added a new one today by Keene
- Discussion on how to notify these new companies about NHASH- give newsletter and/or or business cards to direct to NHASH website and contact information

Water Counsil Report- Larry Maznek

- Went over 1000 rules for DES. They are going to try to put through all risers to grade for every chamber on the tank. This will be on new construction or new systems/ upgrades going forward.
- LiDAR ?JLCAR will be permitted for surveying by satellite; cut off dates as back as 1967 for accepting on how many rooms in a domicile - now up to 1987; going to 2 compartment tanks instead of single (i.e. 2/3 in the first tank and at least 1/3 in the second chamber for 2 compartment tanks); to replace a D box in the field if in a butterfly system cannot be replaced

without notifying DES. If it is a single D box outside the field or front of the field then you can replace in kind, whether it's on any type of system.

- Any written comments we want to put forward; send to Larry before it goes to open session with the public.
- July, June, Sept appeal hearings in front of water council board usually get settled before going to hearing

GSOWA- Larry Maznek

- The GSOWA seminar recently went well- good response back from it; one of negatives was they were looking for more discussion on evaluating; GSOWA does an evaluators course in May. Larry to send class info out to association.

NHASH Constitution and By-Laws

- No discussion. Motion passed unanimously in favor of accepting June 12, 2024 NHASH Constitution and By-Laws as committee has written them.

NHASH Best Practices Committee

- Best Practices of Septic Pumping on Facebook- video wording to be updated to include people make sure to: agitate the tank and make sure it is fully pumped,

Nominated Board of Directors:

David Bagley- Bradford Septic Service

Larry Maznek- Maznek Septic Service

Emerall Reid- Emi's Porta Pottys

Dan Smart- Pete's Toilet Rentals

Darlene Johnson- Best Septic Service

Pete Johnson- Pete's Sewer Service

Mandie Hagan- Rowell's Services

Sarah Warner- DJ's Septic Pumping Services

Ray Bellemore- Bellemore Septic Services

Greg Chasse- Bottom Feeder Septic

- No opposition. Motion passed unanimously.

David Malook of Clark Insurance Insurance broker to talk to people about changing insurances via Zoom. No opposition. Motion passed unanimously.

Annual Movement of Funds:

- Move \$500 to scholarship fund (scholarship 2196)

No opposition. Motion passed unanimously.

- Move \$500 to GetPumped account.

Motion to defer for now and can revisit in the future. Motion passed unanimously.

Next Meeting is a Zoom Meeting only on June 11, 2025

Welcome Packet

- To include NHASH truck stickers: 1 black and 1 white per packet

No opposition. Motion passed unanimously.

Space Entry Training

- Currently 15-17 people are interested
- Discussed moving this to January. Sandy would need to know a month in advance. Recommends also having a snow make-up date. To start discussing this in September Meeting 2025.
- No opposition. Motion passed unanimously.

Scholarships – 4 applicants this year

1. First recipient is: Olivia Hagan – NHASH member
2. Second recipient is: Ryan Christensen

Emi moved to award two scholarships; seconded by Sarah. No opposition. Motion passed unanimously.

Motion to adjourn by Rhonda; seconded by Darlene. Meeting adjourned at 8:21pm.
