nidi

Disegniamo spazi da vivere in libertà. Immaginiamo la stanza di bambine e bambini come un mondo colorato costruito attorno alle loro esigenze, la camera di ragazze e ragazzi come una casa nella casa dove vivere esperienze, condividere emozioni e diventare indipendenti. Ci piace pensare che ogni stanza sia un racconto, dove i colori sono ispirati alla natura e i complementi, gli accessori, le carte da parati, tessuti e sticker danno ritmo, carattere e personalità alla narrazione.

We design spaces that play by your rules. We picture the kids' room as a colourful world built around their needs, your teenager's bedroom as a home within the home, a place where they can experience things, share emotions and become independent. We like to think of each room as a story, where colours take their inspiration from nature, a story punctuated by complements, accessories, wallpaper, fabrics and stickers that all add character and personality to the narrative.

4/7 YEARS

L'infanzia è il regno dei sogni: la camera è un luogo dove giocare, imparare ed esplorare. Tutti gli arredi sono scelti per rendere ogni stanza il miglior ambiente possibile dove crescere.

Early childhood is the realm of dreams: the bedroom is a place for kids to play, learn and explore. Every piece of furniture is chosen to ensure each room is the best possible place for them to grow.

8/12 YEARS

Crescere significa avere nuove esigenze. Leggere, fare i compiti, giocare con gli amici e dedicarsi a quelle piccole passioni che, a poco a poco, prendono una forma sempre più definita.

Growing up means having new needs. Reading, doing homework, playing with friends and spending time on those little passions that gradually take a more defined shape.

13/16 YEARS

Sentirsi grandi e volerlo dimostrare: da piccolo parco giochi, la camera diventa uno spazio in cui dormire, studiare, scoprire, sperimentare, condividere... e iniziare a progettare in grande.

Feeling all grown up and wanting to show it: the bedroom is no longer a little playground, morphing instead into a space for sleeping, studying, discovering, experimenting, sharing... and starting to plan big.

17+ YEARS

L'indipendenza è sempre più reale e si inizia a pensare al futuro. La scelta di arredi dai dettagli funzionali crea un ambiente dal sapore più adulto e con maggiore privacy dove poter coltivare le proprie passioni e svolgere le attività nel tempo libero.

Independence is becoming more of a reality, and you start thinking about the future. Choosing furniture packed with functional features creates a room with more of a grown-up feel and greater privacy, a place for cultivating personal passions and pursuing leisure activities.
