# A Legacy of Excellence

Indian Public School was established on 2nd April, 2009 under The KS Dalmia Education Trust. The school has a credo towards character building and all-round personality development covering intellectual stimulation, physical robustness, social adaptability, emotional independence, in-depth knowledge of subjects, fluency and good communication skills, confidence building and leadership qualities.

HIGHEST CLASS

Spread over 7 acres, the school is equipped with facilities comparable with the best in the country, in both academics and extra-curricular activities — the 'extras' that make a child's education complete. IPS is affiliated to the Central Board of Secondary Education (C.B.S.E.), New Delhi, and is recognised as the best residential school in Sambalpur, with classes from Pre-Primary up to Class XII, 50+ teachers and around 25 other staff members.

*Indian Public School, Sambalpur is an epitome of dignity, pride, values and a recognised landmark in its pursuit of excellence in education and holistic development — offering world-class infrastructure and a superior co-educational learning experience.*

*IPS caters to the aspirations of the Indian middle class, delivering not just classroom-based learning but a full spectrum of activities — encouraging students to take part in national and international events across academics, culture and sport.*

*"IPS is deeply dedicated to building World Leaders of Tomorrow — offering a compelling combination of small classes, caring faculty, academic rigour and strong spiritual values."*

## OUR VISION

# Empowering Every Child to Reach Their Fullest Potential

We, at Indian Public School, recognise that each child is an individual and respect the individual needs of children. With a stress on total development — moral, intellectual, social, emotional, physical and spiritual — we aim to equip students with the skills and exploratory experiences to reach their fullest potential as independent thinkers, adapting to a diverse and ever-changing world while leading a healthy, productive and meaningful life.

### 01 Holistic Development

Student development is catalysed across intellectual, social, emotional, physical, spiritual and aesthetic qualities.

### 02 Lifelong Learning

We use the latest educational techniques to create the best learning experience and encourage a lifelong pursuit of knowledge.

### 03 Growth & Guidance

Student growth is promoted through empowerment, school teams, career guidance and counselling.

### 04 Nine Essential Life Skills

Decision making, problem solving, critical thinking, communication, interpersonal relationships, self-awareness, empathy, self-esteem and stress handling.

### 05 Sports & Creative Excellence

Holistic development is encouraged through excellence in sports and enrichment through creative and performing arts.

### 06 Responsible Global Citizens

Instilling the right attitude for a happy, balanced life while preparing responsible global citizens with strong professional skills and environmental awareness.

## OUR IDENTITY

An Indian Mind. An Indian Heart. An Indian Soul.

We celebrate a culture of excellence and values, nurturing students with a strong connection to Indian heritage while preparing them for the opportunities and responsibilities of the modern world.

# Challenge, Support & Inspire

We strive to provide, within a student-centred, safe, supportive and challenging environment, a well-balanced instructional programme that empowers children to reach their educational and personal potential while nurturing self-confidence and self-esteem. We seek to help each child discover and hone their innate talents, instilling high standards for academic scholarship, integrity, leadership, cooperation, respect for individual differences, community values, compassion, civic mindedness, and the courage to act on their beliefs.

*"Our mission, simply put, is to challenge and support students to be the best they can be."*

## 01 Academic Excellence

To provide students with a learning environment that strengthens a culture of academic excellence.

## 02 All-Round Development

To support students' all-round development through character building, teamwork, physical development and leadership.

## 03 Indian Values

To illuminate students' intellect in multi-dimensional ways, preparing them for advanced academic study without compromising rich Indian values.
