HIGHLIGHTS

Strategically located in the alluvial plains between the Ganga and Yamuna, Agra was a religious and Commercial center for centuries, but it matured when the Mughals made it their home. Agra became the theatre where this fascinating dynasty played out an entire range of emotions on a titanic scale; love, hate, passion, and lust for power..... Yet we only, have to wander through their forts, gardens and monuments to also see their love of nature, refinement and devotion to the arts. It is this that has endured.
