If more than one person refers the same candidate and Nord Security hires such a candidate, the Reward will be awarded to the first referrer, based upon Nord Security's timestamp for the referral.

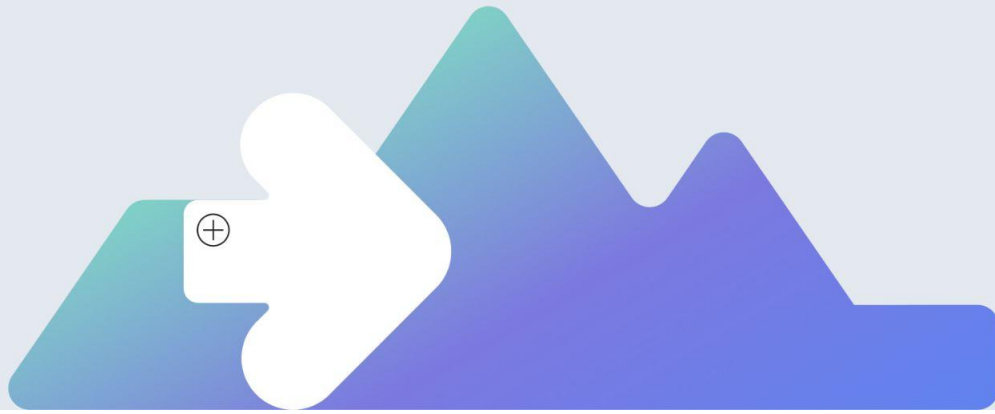

How it works

After the referral submission, we will evaluate it and decide whether the candidate meets our requirements. If yes, we will contact them directly and start our standard recruitment process. Please note that we will tell the candidate who has referred him/her.

We will contact you only if you are eligible for the Reward. No information on the recruitment process, employment terms, etc., will be provided to you.

We have the right to determine the eligibility and payments of all referrals in question at our sole discretion. Also, we may offer the candidate a position other than the one you specified when submitting the referral form if it would suit the candidate better.

Payment Terms

If you are eligible to participate in the Program, Nord Security will pay you an external referral bonus of EUR 1,000 (“*Reward*”) for each candidate that is hired by Nord Security upon satisfaction of the following conditions:

- The candidate acknowledges that they agreed to participate in the Program and were referred by you;
- The candidate completes the minimum recruitment period of three (3) months of continuous, active employment with Nord Security;
