SOFAS AND ARMCHAIRS | Indoor  
PAOLA NAVONE

An exclusive creation by Paola Navone, the Chicago sofa redefines the very essence of contemporary relaxation. Its generously rounded forms create a haven of sophisticated comfort – where surrendering to stillness becomes a complete sensorial experience. Every curve is designed to cradle the body in a protective embrace, while the delicate stitching – with its subtle interplay of tensions – enhances the sense of infinite softness. The Baxter leather, selected for its exceptional quality, adapts with effortless elegance to the sofa's sinuous shape – breathing and evolving over time with use. This design piece becomes the heart of the living space: an island of pure wellbeing where time gently slows. Chicago is more than a piece of furniture – it is a statement of style that transforms the living space into a multisensory experience of true comfort.
