DEDALO SYSTEM

Il sistema d'arredo Dedalo offre soluzioni altamente personalizzabili per ogni ambiente della casa, dal living dinamico alle cabine armadio su misura e librerie sofisticate. Si distingue per la sua capacità di trasformare le pareti attrezzate con elementi come pali porta TV orientabili, scrittoi e illuminazione LED integrata, potendo anche creare un raffinato angolo bar con gli accessori porta bicchieri e porta bottiglie. Per le cabine armadio, Dedalo garantisce massima versatilità con contenitori, cassettiere e accessori estraibili che ottimizzano lo spazio. Infine, come libreria, si configura come un ingegnoso sistema a montanti che permette libertà progettuale e l'organizzazione di open space, anche con moduli bifacciali.

The Dedalo furniture system offers highly customizable solutions for every room in the house, from dynamic living areas to bespoke walk-in closets and sophisticated bookcases. It stands out for its ability to transform fitted walls with elements like swivel TV poles, desks, and integrated LED lighting, and it can even create a refined bar area with glass and bottle holder accessories. For walk-in closets, Dedalo ensures maximum versatility with containers, drawer units, and pull-out accessories that optimize space. Finally, as a bookcase, it's an ingenious upright system that allows for design freedom and the organization of open-plan spaces, even with double-sided modules.

NOVAMOBILI

DEDALO è una struttura leggera e come tale non può essere oggetto di carichi pesanti. Il contenimento va previsto nella parte inferiore, mentre dovrà essere alleggerito salendo di quota verso il soffitto.
Non superare mai la portata prevista per ciascun ripiano / contenitore.

DEDALO is a light structure and, as such, is not designed to support heavy loads. Most items should be stored at the bottom of the unit, with progressively lighter items placed on upper shelves and units as height increases.
Never exceed the rated load capacity of each shelf/storage unit.
