

I pannelli porta TV integrano lo schermo nell'arredo della zona giorno o notte, organizzando lo spazio con ordine e continuità visiva. Possono essere inseriti in un armadio con ante scorrevoli, montati su una base con supporto fisso o girevole oppure applicati a una boiserie coordinata. Cavi, prese e collegamenti restano nascosti, mentre materiali, finiture e illuminazione LED permettono di creare soluzioni su misura, funzionali e scenografiche.

TV panels integrate the screen seamlessly into living rooms or bedrooms, creating an orderly, visually cohesive space. They can be fitted inside a sliding-door wardrobe, mounted on a base with a fixed or swivel support, or integrated into coordinated wall panelling. Cables, sockets and connections remain concealed, while a wide choice of materials, finishes and LED lighting makes it possible to create bespoke, functional and visually striking solutions.

DEDALO SYSTEM

DEDALO è una struttura leggera e come tale non può essere oggetto di carichi pesanti. Il contenimento va previsto nella parte inferiore, mentre dovrà essere alleggerito salendo di quota verso il soffitto.

Non superare mai la portata prevista per ciascun ripiano / contenitore.

DEDALO is a light structure and, as such, is not designed to support heavy loads. Most items should be stored at the bottom of the unit, with progressively lighter items placed on upper shelves and units as height increases.

Never exceed the rated load capacity of each shelf/storage unit.

PORTA TV orientabile fino a 180°

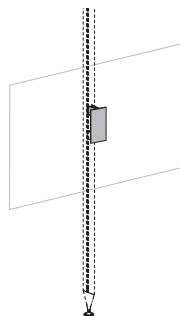

TV MOUNT swivels up to 180°

Per TV fino a 75 pollici (166 x 93 cm) con un peso massimo di 35 kg.
