

CABINA
BREAK
WALK-IN CLOSET

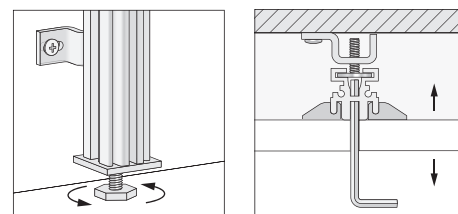

Capiente, funzionale e componibile, la cabina armadio Break può essere attrezzata con moduli angolari, luci led retro ripiani, cassetti in vetro fumé, tubi appendiabiti e accessori in finitura brunita. Il sistema a cremagliera, eliminando i fianchi di sostegno, risulta essere visivamente molto leggero.

Capacious, functional and modular, the Break walk-in closet can be fitted with corner modules, LED lighting on the back of shelves, smoked glass drawers, hanging rails and accessories in bronze finish. The slotted rail system does away with the need for supporting side panels and hence gives a visually light appearance.
