MADIA FLOAT */ FLOAT SIDEBOARD*

design by Zaven

La madia Float gioca sul concetto di sostegno e contenitore: il basamento diventa elemento progettuale da valorizzare ed esporre, rendendone visibile la funzione. La madia è disponibile in tre varianti - quadrata, rettangolare alta e rettangolare bassa, a due, tre o quattro ante - e in tutti i colori laccati opachi e ossidati; il basamento è anche in laccato metal.

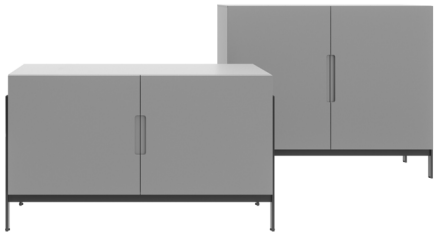

The Float sideboard pays with the concept of support and storage: the base becomes a design element to be shown off to full effect, putting its function in clear view. The sideboard comes in three versions - square, tall rectangular and low rectangular with two, three or four doors - and in any of the matt or oxidized lacquered colours; the base also comes in the metal lacquered finish.
