

A bathroom interior featuring a white clawfoot bathtub with a brass faucet. On the tub's edge is a wooden tray with a sponge, soap, and a candle. The wall behind the tub has white arched millwork. Above the tub is a large tapestry of a forest scene, a framed portrait of a woman, and a large geometric pendant light. A green plant is on the right.

# decorative beams

The ceiling, often overlooked, serves as a blank canvas waiting for creativity to flourish. Decorative beams, like bold strokes of a brush, transform this expanse into a captivating work of art. Each beam not only adds depth and elegance overhead but can also be imaginatively applied to walls, serving as stunning visual accents that enhance any room's character. With many styles to choose from, this architectural interplay invites us to look beyond the ordinary, turning an everyday space into a stunning visual narrative.
