ZEELAND DISTRIBUTION CENTER

our STORY

DEEP ROOTS. HIGH STANDARDS. BRIGHT FUTURE.

Founded in 1946, Novo Building Products (previously known as Empire Moulding & Millwork) has grown into one of the largest millwork distribution and manufacturing

companies in the United States. With a geographic footprint that touches the majority of the eastern half of the United States, Novo Building Products is positioned for continued expansion.

our FAMILY

**NOVO BUILDING PRODUCTS IS PROUD TO BE
PART OF THE ADENTRA FAMILY.**

Novo Building Products is an industry leading manufacturer and distributor of mouldings, stair parts, doors, and specialty building products. We serve building material dealers (lumberyards), door shops, retail home centers, and millwork manufacturing partners throughout the United States and parts of Canada and Mexico.

Learn more at **NOVOBP.COM**.

ADENTRA is one of North America's largest distributors of architectural-grade building and millwork products to the residential and commercial construction industries. Adentra currently operates a network of 86 distribution and fabrication facilities in North America consisting of five industry leading distribution brands: Hardwoods Specialty Products, Mid-Am Supply, Frank Paxton Lumber Company, Rugby Architectural Building Products, and Novo Building Products.

General Information

Finger-Jointed Moulding from our quality suppliers is precision milled using advanced technology in a wide selection of profiles. The advanced manufacturing methods and the wood's superior moulding characteristics result in long lengths and very few defects.

- All products should be inspected for manufacturing defects prior to painting or installing.
- Please store horizontally and off the floor, and let acclimate 72 hours prior to installation.
- Install with 15-18ga pin nails with proper air pressure to counter sink fastener 1/16".
- Use light weight spackle and paintable latex caulk when filling and sand with 80-120 grit paper.
- Finish with a good quality latex paint. Apply following the manufacturer's specifications.

MDF from our quality suppliers is light-weight and manufactured using eco-friendly standards. The superior workability of our MDF mouldings offers an ease of cutting, mitering and finishing, making it excellent for any size job. The combination of light-weight substrate, consistent easy to paint surface and long lengths result in superior workmanship and a streamlined final finishing process.

- All products should be inspected for manufacturing defects prior to painting or installing.
- Please store horizontally and off the floor, and let acclimate 72 hours prior to installation.
- Install with 15-18ga pin nails with air pressure set 90-110psi to counter sink fastener 1/16".
- Use light weight spackle and paintable latex caulk when filling and sand with 80 -100 grit paper.
- Finish with a good quality latex paint applied following the manufacturer's specifications.

Traditional

Ranch, Classic, Colonial, Early American, inviting and timeless...

Traditional Mouldings enhance any home style from Midwestern, Early American to Coastal. They blend perfectly with the classic style furnishing and timeless building materials of today. NOVO has a vast selection of traditional style mouldings to match and enhance your own unique style.

Victorian

Glamorous, Ornate, Art Deco, Baroque, Southern Plantation, Colonial Estate...

Victorian Mouldings hearken to the richness of old world artisan builders, craftsman and clothiers that regarded every part of their work a piece of art. It is a style that can transform the bland into a bold statement of line and form. Ornate mouldings can be combined to restore a great Painted Lady or add a subtle flair and richness to add glamour to any room in your home.

Contemporary

Eclectic, Artistic, Avant-Garde. Full of life, culture, color, texture, unique and found objects, natural and man made materials...

At its core, the word "contemporary" means "of the moment". Sleek & thoughtful, contemporary design spaces often feature a mixture of both straight and elegantly curved lines, which can be seen as a slight nod to this style's art deco roots. Today, the look is defined by curved lines, and embraces minimalistic elements highlighting grays, beiges and shades of white. Although the contemporary trend changes with time, the basic cutting edge simplicity and idealism remains as unique as your vision.

PROFILES SHOWN ARE NOT TO SCALE.

Craftsman

Line and Structure, Handcrafted, Architectural, Artisan Craftsman, Modern-Farmhouse, Western Ranch...

Craftsman homes are full of endless detail and character, known for their natural materials, cozy interiors, and wide porches. Patterns and lines show the Arts & Crafts Architectural style through the use of natural woods combined with simple paint schemes. Wainscoting or beadboard detailing, and decorated ceilings with beams will help to give your home that warm feeling.

Build-Ups

Combine moulding patterns to create a unique home style.

- Combine crowns, bases, casing, panel moulds, shoe or quarter rounds and more, to create detail, line and pattern.
- Use boards or square stock to build up depth.
- Combine square and eased edges to create richer detail.
- Use moulding with the same style families for a harmonious feel.
- Create completely unique build-ups to fit your own style.
