

Pre-Operative Instructions

- You may not have anything to eat or drink (including water) for 8 hours before the appointment.
- For morning surgery, no food or liquids after midnight the night before surgery.
- No smoking at least 24 hours before surgery.
- Ideally, cut down or stop smoking for up to a week before the day of surgery.
- A responsible adult must accompany the patient to the office, remain in the office during the procedure, and drive the patient home.
- Plan to rest for the remainder of the surgery day.
- The patient should not drive a vehicle or operate any machinery for 24 hours following the anesthesia experience.
- Please wear loose-fitting clothing with sleeves that can be rolled up past the elbow and low-heeled shoes.
- You must remove contact lenses, jewelry, and dentures at the time of surgery.
- Do not wear lipstick, excessive makeup, or nail polish on the day of surgery.
- If you have an illness such as a cold, sore throat, or stomach or bowel upset, please notify the office.
- If you take routine oral medications, please check with your doctor before your surgical date for instructions.
- The use of alcohol or recreational drugs such as marijuana/cannabis can adversely interact with the anesthesia medications. Please discontinue the use of such for at least 72 hours before your procedure.
- If your doctor prescribed you medications, please follow the instructions for their use closely.
- Women, please note: some antibiotics may interfere with the effectiveness of your birth control pills. Please check with your pharmacist.
