

BEFORE AN IMPLANT OR BONE GRAFT

Your prescriptions will be ready at your pharmacy the day before surgery.

Antibiotic Instructions:

- Take the prescribed antibiotic 1 hour before your surgery.
- Starting the day after surgery, take 1 capsule, 3 times a day, until all are finished. Or as directed by your surgeon.

Mouth Rinse (Chlorhexidine / Peridex):

- Begin using the rinse 1 day after surgery.
- Use it twice daily for 7 days, or as directed.
