## **OFFICIAL MEMO (24<sup>th</sup> March 2020)**

### **NZRCA STATEMENT: COVID-19 (Update)**

To all Clubs, Racers and Associates, the NZRCA advise that due to the announcement from the New Zealand Government that the country has moved to Level 3 as of yesterday, and moving to Level 4 as of 11:59pm Wednesday 25<sup>th</sup> March, there shall be **NO** club or NZRCA sanctioned meetings to be held until further notice.

We have received emails from a number of clubs already advising they have cancelled all future club meetings until further notice; however we advise that all clubs put out a notice to their members to that effect immediately.

This is an unprecedented event and it is out of all of our control, but by following the requirements of the government, hopefully this situation will pass quickly, so we ask all our members to stay at home & stay safe.

This is a great time to rebuild those cars and get them ready for some future racing, or some members have advised they intend to setup online racing events via VRC <http://vrcworld.com/>. The NZRCA will look to promote these where possible via our Facebook page.

If you have any issues with the above, please contact one of the following:

Kind regards

**2019/2020 NZRCA Executive**
