Hello Everyone

A mid week update today to remind you of the NZRCA on-line voting for licence holders on the remits passed at the AGM in Mid-September closes on 31 October.

As a member of a NZRCA club, you are entitled to vote on the remits that passed at the AGM, and vote as to whether or not the remit passes or not.

You should have received an email outlining the remits and how to vote. These came out 3-4th week of September, so if you have not received this, please check your junk email. If you have not received the voting email it is more than likely an old or incorrect email address is held in the NZRCA licence holder system. Therefore please contact your club secretary by Friday 27 October with your preferred email and ask them to update your email details. We will update our records and will re-send a voting link to you and all of those licence holders that have yet to vote prior to voting ending.

It is your right as per the constitution to have your say on the outcomes and you should take advantage of this.

If you have any questions regarding this, please contact your club secretary in the first instance as they have access to the NZRCA communication hub to update your details.

Many thanks

Glenn Coles

NZRCA Secretary on behalf of the NZRCA Executive.
