

Project highlights

- Learning from past experience to innovate intervention methods
- Supporting concrete projects in line with IWRM development priorities
- Fostering the implementation of the Team Europe Initiative (TEI) in transboundary basins in Africa

Project features

- **Budget:** €3M
- **Schedule:** January 2023 - December 2025
- **Objective:** Boost support to TBO for improved water resource management in a context of climate change
- **Project governance:**
 - Operator: International Office for Water (OiEau)
 - Steering Committee: OiEau, ANBO, AFD
 - Technical Committee: Steering Committee + Transboundary Basin Organisations
 - Scientific Committee: external resource persons

Project components and activities

Improving **governance** and supporting new **financing** mechanisms

- Support for the **institutional** reorganization of the TBOs concerned
- Consolidation of autonomous and sustainable **financing**

Strengthen **information systems** and disseminate their products

- **Spatial** hydrology and monitoring equipment for hydrological data acquisition and transmission
- Strengthening water **information systems**
- Development and effective use of **applications** and services, decision-support tools

Support the strategic **planning**, programming and management of cross-border infrastructure and facilities, including those for the preservation of ecosystems

- **Strategic planning** by the relevant TBOs
- Relevant studies and coordinated management of shared-benefit **infrastructures**
- Implementation of pilot initiatives to **preserve** wetlands and **biodiversity**, in particular by promoting nature-based solutions

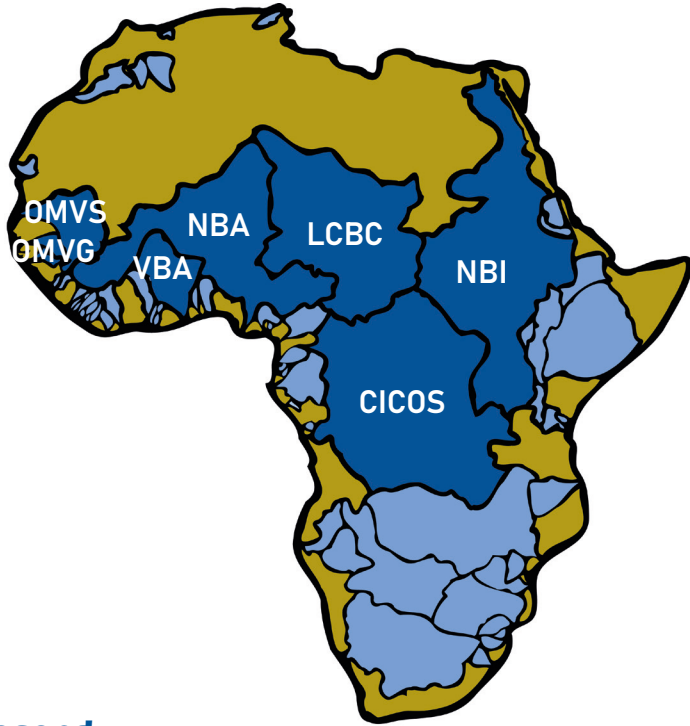

Promote new ways of **sharing experiences** and exchanges between TBOs

- **Skills enhancement**
- **Exchanges** and study trips
- **Communication** and strengthening the ANBO secretariat

Transboundary Basin Organisations (TBOs) benefiting from the project

Legend:

- TBO involved in DYNObA
- NBA : Niger Basin Authority
- VBA : Volta Basin Authority
- LCBC : Lake Chad Basin Commission
- NBI : Nil Basin Initiative
- OMVG : Organisation for the Development of the Gambia River
- OMVS : Organisation for the Development of the Senegal River (benefiting from another project - SCREEN)
- CICOS : International Commission for the Congo-Oubangui-Sangha Basin (benefiting from another project - PROGIRE-SIEACC)
- TBO not involved in DYNObA

DYNObA
