

We're so grateful you decided to participate. Before we really dig in, here are some tips to make the most out of these four weeks.

SHOW UP

That's more than half the battle. Next Steps is designed to be highly interactive with minimal weekly work on your part. The only thing that can really hurt the experience is if you don't show up. Your participation helps others as much as it helps you, so please make sure to come to all four sessions, even if that means they're out of order.

SHARE

Next Steps is meant to be a self-exploratory experience. Don't worry about having the right answers to the discussion questions. They're designed to be more about what you think and how you feel. You'll get to know ONE&ALL as a church, while at the same time getting to know yourself better, thereby seeing exactly how you best fit here. Share your thoughts and know that by sharing, you're helping other people at your table to do the same.

Whether you are new to church or simply new to ONE&ALL, you belong! We're so glad you're here!

ENJOY AND HAVE FUN!

On behalf of the Next Steps Team, Welcome to **ONE&ALL!**

A young man with brown hair, wearing a dark blue hoodie, is smiling and holding a large blue sign above his head with both hands. The sign has the text 'BETTER TOGETHER' in large white letters and 'ONE&ALL' in smaller white letters below it. The background shows a stone wall and a window reflecting trees.
