

Playful Materials Scavenger Hunt

Grab a basket or a box and walk around your classroom or home and collect as many of the following items as you can. Let the experience be a creative guide: what other interesting loose parts can you collect for play?

- Something Shiny
- Something Soft
- Items that can be stacked
- Something that rolls
- Round / Circle Items
- A character (an animal toy, a figurine...)
- Natural items (pinecones, small rocks)
- Brightly colored items
- A playful kitchen item (a spoon, a chopstick, a cookie cutter)
- A mat or tray to arrange items, or play on
- Something reflective (mirror, aluminum foil)
- Bottlecaps/Jar Lids
- Sturdy Paper or Cardboard
- Ribbons, Yarn, or Fabric Strips
- Something transparent (plastic, glass)
- Something hollow (cardboard tube, cylinder)
