

Yeshaya Perek 59

- Yisrael's sins have caused God's presence to be distanced from this world.
- People no longer call out to Hashem in truth.
- Yisrael hatched plans that caused further evil in the world.
- Their ways were crooked and filled with lies.
- Yisrael admitted to their wrongdoings against Hashem.
- Lack of honesty was pervasive throughout the generation.
- God understood that there was no one else to stick up for Yisrael, so He did so.
- He will strike fear in Yisrael's enemies and cause them to flee.
- Mashiach will come from Tzion.
- Yisrael will do teshuvah.
- Hashem cut an eternal treaty with Yisrael.
