

### **Yeshaya Perek 54**

- The barren woman, Yerushalayim, will be restored and will sing when her children, the Jewish nation, will return.
- Am Yisrael will rebuild Eretz Yisrael and spread throughout the land.
- Hashem will call Am Yisrael back to their land.
- Hashem will shine down abundant compassion on His nation.
- Hashem will never destroy Am Yisrael, like He once flooded the world with the waters of Noach.
- The physical earth will decay, but Hashem's kindness is forever.
- Yerushalayim will be rebuilt with precious stones and gems.
- All of Klal Yisrael will become students of Hashem.
- Yerushalayim will be unconquerable by the nations, as it will be protected and secured by Hashem.
