

Yeshaya Perek 21

- Yeshaya prophesied about the destruction of Bavel.
- Radak: Bavel had been unusually cruel to Yisrael and therefore there are several prophecies about the destruction of Bavel and Ashur.
- Yeshaya relates feeling physically and emotionally sick, hearing about the destruction of Bavel, as a true prophet of Hashem has compassion for all of Hashem's creations. (Rashi)
- Yeshaya prophesied about the destruction of Duma. Metsudos and Radak learn that Duma is a tribe of Yishmael. Rashi learns that Duma is Edom, which comes from Esav.
- Yeshaya prophesied about the destruction of Arabia. Radak, Rashi and Metsudos learn that Arabia refers to the children of Kadar, who are descendants of Yishmael.
- Arabia will be punished because they did not give Yisrael water and food in their time of need.
