

### **Shmuel II Perek 23**

- The last words of Dovid were said with Divine insight.
- Dovid sang a song to Hashem thanking Him for all the kindness that Hashem had done for him throughout his life.
- The Navi lists 37 great warriors for King Dovid.
- The warriors highlighted are:
- Adino Ha'atzani, killed 800 people single handedly (Medrash learns this was Yoav.)
- Elazar ben Dodo, killed so many people in battle his hand was stuck onto the sword from muscle stiffness.
- Shama ben Aga, saved the food supply for Yisrael in a battle against the Plishtim.
- Avishai, the brother of Yoav.
- Benayahu ben Yehoyada, killed 2 high-ranking Moav officers and was a tremendous torah scholar.
