

### **Melachim I Perek 11B**

- Razon was the 2<sup>nd</sup> person to antagonize Shlomo during his lifetime.
- Yiravam ben Nevat was the 3<sup>rd</sup> person to antagonize Shlomo.
- Yiravam was a hard worker and a “man of valor.”
- Achiya HaShilani, a Navi of Hashem, met with Yiravam and told Yiravam that he will be the next king of Yisrael.
- Achiya HaShilani ripped his clothing into 12 pieces and told Yiravam to take 10 of them, symbolizing that the throne will be ripped away from Shlomo’s family after Shlomo dies.
- Shlomo wanted to kill Yiravam. Yiravam ran to Egypt until the death of Shlomo.
- Shlomo passed away. Shlomo had ruled over Yisroel for 40 years.
- Shlomo was buried next to his father, Dovid. (Ramad Walli explains: Shlomo was buried next Dovid to indicate that despite Shlomo's “sins” he was still considered a tzaddik.)
