

Yeshaya Perek 43

- This perek is primarily a prophecy about Mashiach. Radak learns that this prophecy refers to Sancheriv.
- Note: The pesukim themselves are amazing, as they show Hashem's great intrinsic love for the Jewish nation.
- Hashem who created Yaakov says, "Do not fear; you are Mine.
- "Do not fear. I will save you from all sorts of devastation and natural disasters.
- "I, Hashem, love Yisrael!"
- There will be an ingathering of exiles from the four corners of the earth.
- Yisrael will bear witness to Hashem's greatness.
- "I am Hashem, there is no savior other than Me.
- "Haven't you heard? I will do something completely new and wondrous in the world!"
- Hashem will wipe away all the sins of Yisrael, not because of anything that Yisrael has done, but because the power to cleanse comes solely from Hashem.
