

Yeshaya Perek 49

- Yeshaya relates that although he personally was not fully successful in bringing Yisrael to complete teshuvah, his mission in life was still successful.
- Yeshaya's true purpose in life was telling the world about the greatness of Yisrael and painting an awesome picture of the future times of Mashiach.
- "Hashem glorifies himself through every member of Yisrael."
- Hashem's great salvation will spread throughout the entire world.
- The barren land of Eretz Yisrael will begin to flourish.
- Once again Eretz Yisrael will have children playing on her soil.
- Eretz Yisrael will be so filled with Jews that they will require more room!
- The nations of the world will help Yisrael return to Eretz Yisrael.
- "Those who trust in Hashem will not be ashamed."
