

Shmuel 1 Perek 14A

- Yonasan the son of Shaul and attendant snuck out at night of the Jewish for battle camp without anyone knowing.
- Yonason and attendant chose to walk the edge of cliff that over looked the Plishty camp.
- Yoanason related to attendant Hashem is all-powerful and can deliver the Plishtim into their hands.
- A plan was devised amongst Yonason and attendant. If the Plishtim were to spot them and say “ come down to us” than Yonason will understand that as a sign from Hashem they will single handedly win the battle.
- Yonsason is spotted and killed many Plishtim in a single shot.
- Shaul was notified about “action” that occurred in the Plishty camp.
- Shaul was informed that Yonason his son was the cause of the ruckus in the Plishty camp.
- Shaul was about to ask Achiyah the Kohen to ask Hashem what to do. Shaul sent Achiyah back in a haste and does not ask Hashem.
- Thousands of Yisrael came out of hiding to fight against the Plishtim.
- Shaul went forth with and large army. The Plishtim are weakened.
