

Shmuel 1 Perek 6

- The Plishtim returned the Ark to Yisrael after seven months.
- Plishtim consulted with their Elders whom advised them to return the Ark with a guilt offering.
- A plan was devised on exactly how to return the Ark to Yisrael.
- The Ark was returned with 2 nursing cows, a box and golden mice with pictures of hemorrhoids as an offering to Hashem.
- The Plishtim sent the Ark off to Bet Shemesh and observed the Ark from a distance waiting to see if the Ark would head back to the Yisrael or not.
- The Ark was received in the fields of Joshua and was unloaded by the Levites.
- Joshua had killed 70 men who were the equivalent of 50,000 men for not treating the Ark in a dignified manner.
- Joshua spread the word the Ark was returned to Yisrael and wanted to return the Ark to its proper location.
