

### **Micha Perek 3**

- Micha addresses the false leaders and prophets:
- "You have all perverted justice!
- "You take advantage of the nation!
- "You are in it for the money!
- "You are fake and phony!
- "You hate good and love evil!"
- The words of Micha are true and just, and because the leaders of the generation are completely corrupt God will destroy Yerushalayim and Tzion.
