

Yeshaya Perek 55

- Hashem calls on Yisrael to do teshuvah.
- The souls that thirst for Hashem, let them come and drink the words of Torah.
- Listening to Hashem's words will bring Yisrael eternal life.
- Search out Hashem with a sincere, honest heart.
- In contrast to man, Hashem is so much bigger than one can imagine. Therefore, man can easily come near to Hashem.
- Hashem's thoughts are not like man's thoughts.
- When Yisrael returns to Eretz Yisrael the nation will be happy. The mountains and valleys will celebrate and sing for Yisrael.
