

### **Yehoshua Perek 6**

- Hashem tells Yehoshua the plan to take over Yericho, the fortified city:
- All the soldiers should circle around Yericho for six days.
- Seven kohanim should follow the Aron Hakodesh while holding Shofars.
- On the seventh day, they should circle Yericho seven times.
- They should blow the shofar on that last day and the soldiers should be commanded to make a lot of noise. Then the walls of Yericho will fall directly into the ground.
- Yehoshua carried out Hashem's plan with the Jewish army.
- Yehoshua commanded his soldiers do not take from the spoils of war. Yehoshua pronounced all the spoils of war kodesh for Hashem.
- The army was commanded to protect Rachav.
- Calev and Pinchas saved Rachav's family, bringing her back to Klal Yisroel. Yehoshua set Yericho ablaze and went to war against them. Yericho was defeated.
- Yehoshua put a curse on anyone who would try to rebuild Yericho.
- Yehoshua's fame spread throughout the land.
