

**Yeshaya Perek 44**

This perek primarily relates the love that Hashem has for Am Yisrael.

"Yisrael is My nation, as I have chosen them over all of the nations of the world."

Hashem is constantly looking out for the best interests of Am Yisrael and therefore there is no reason to be scared.

Idols will never help anyone, even though people primarily serve idols for their own selfish gains.

An idolater doesn't even stop to think what it is that he is serving!

Hashem will ultimately redeem Am Yisrael .
