

### **Yeshaya Perek 11**

Note: this is one of the most famous prophecies of Yeshaya. This is just a recording of the pesukim.

A branch from the roots of King Dovid will sprout forth as the Mashiach.

Mashiach will be filled with the "spirit of Hashem".

Mashiach will be a man of great wisdom, insight, knowledge, strength and fear of Heaven.

Peace will permeate the entire creation and will even spread to the animal kingdom. The wolf will lay down with the lamb, and the leopard with the goat.

The knowledge of Hashem will fill the world like waters that cover the earth.

It will be on that day that the whole world will recognize Mashiach as sign of Hashem. They will seek out Mashiach to learn from his wisdom.

There will be an ingathering of the exiles to Eretz Yisrael.

Bnei Yisrael will unify against their enemies in the west.

Hashem will again split certain bodies of water as He did in Egypt, and Yisrael will cross into Eretz Yisrael on dry land.
