

Yeshaya Perek 35

- This perek describes more events that will take place in the times of Mashiach.
- The desert will start to blossom and be fruitful.
- "The blind will see and the deaf will hear."
- Most meforshim learn that this is not meant to be taken literally. However Medresh Tanchuma in Parshas Vayigash does take it literally!
- Water will start to appear in the desert.
- There will be a "Derech Hakodesh" - holy path - by which to enter Yerushalayim. Anyone who is impure will not be allowed to walk on this path.
- The people of Yisrael, who were redeemed from exile by Hashem, will return to Eretz Yisrael, singing with eternal happiness, and all grief and sighing will cease.
