

Micha Perek 2

- Woe to Yisrael who is constantly planning evil deeds and thinking evil thoughts!
- Because people have become jealous of their neighbors and wish to steal homes that are nicer than what they own, God will punish them and exile them from our land.
- Hashem instructs Micha to stop prophesying because the nation is anyway not listening. (Rashi, Metsudos)
- The Navi continues to prophesize destruction because the nation has failed to listen to God's word and keep His Torah.
- This perek ends with a prophecy of redemption, that in the times of Mashiach God will bring back His nation to Eretz Yisrael.
- The streets of Eretz Yisrael will once again be bustling with Hashem's people.
- Note: Baruch Hashem the streets of Eretz Yisrael are once again filled with Jews, as there are currently over six million Jews in Eretz Yisrael!
