

Yeshaya Perek 6

- Note: most meforshim learn that this was Yeshaya's first prophecy.
- The year after the death of King Uzziah, Yeshaya saw a heavenly vision of Hashem and His throne.
- Yeshaya describes the Seraphim (fiery Angels) that surrounded Hashem. The Seraphim would call out "Holy, Holy, Holy is Hashem; Hashem's honor permeates the entire creation!"
- An angel purified Yeshaya's mouth by touching his lips with a hot coal sensation.
- Yeshaya accepted the mission to be the ambassador of Hashem's word to Yisrael.
- Hashem described the low state that Yisrael was in.
