

Yeshaya Perek 13

- The prophecy in this perek is primarily about how Hashem will destroy the nation of Bavel.
- Hashem appointed "other nations" to go to war against Bavel. (Rashi, Metsudos and Malbim say that this refers to Paras and Madai, who destroyed Bavel.)
- Hashem will send these nations from a great distance to wipe out Bavel. Hashem and His weapons are coming to destroy the earth!
- Hashem says, "I will repay all of the sinners of the earth for their wickedness. I will humble the haughty. The heavens and the earth will tremble in fear of Me!"
- The magnificent kingdom of Bavel will be completely turned over like S'dom and Amarah were.
- The Navi then details how Bavel will be desolate forever.
