

Shmuel 1 Perek 11

- King Nachash tried having the Jews of Yavesh Gilad submit themselves to him.
- The Elders of Yavesh Gilad requested 7 days to ask for help from Yisrael and if no one would answer their request they would agree to submission.
- The message reached the new King Shaul.
- King Shaul sent 2 oxen cut in half throughout Yisrael. Shaul related who ever does not come to battle their fate will be like the oxen.
- 330,000 members of Yisrael answer the battle call.
- Under the new reign of King Shaul, King Nachash is destroyed before the heat of the day.
- Shmuel had the nation reaffirm their allegiance to Shaul in Gilgal in a celebratory manner.
