

Yeshaya Perek 41

- Yeshaya brings the nations of the world to trial to address their false ideologies and inappropriate behaviors.
- Yeshaya tells the gentile nations to be silent and contemplate Who is truly in charge of world history - Hashem!
- The Navi describes Hashem's amazing love for Am Yisrael:
- "You, Yisrael, are my servant. You are as dear to me as Avraham, whom I loved.
- "I gathered you in from the ends of the earth. You are my precious servants. I have chosen, and not rejected you!"
- In the times of Mashiach water will flow and trees will grow in the desert.
- Yeshaya speaks to the nations as if they are on trial: "Submit your case. Don't you know that Hashem is the only true G-d who knows the past, present and future? Idolatry has no substance."
