

### **Yehoshua Perek 5**

- When the King of Emori and the Kna'ani kings heard about the miracle done for Klal Yisroel, the splitting of the Yarden, they were stricken with fear and were beside themselves.
- On Hashem's command, Yehoshua removed the disgrace of Klal Yisroel. A national Bris Milah to all of the men of Klal Yisroel took place. This was the first Bris Milah performed on Klal Yisroel since leaving Mitzrayim.
- Klal Yisroel brought a korban Pesach.
- When Klal Yisroel started eating grain from the land of Eretz Yisroel, the manna which had sustained Klal Yisroel through the forty years in the desert, stopped falling.
- An angel appeared to Yehoshua and told him to take off his shoes because he was standing on holy soil.
