Accessing Yerushalmi on All Daf

Go to MY ACCOUNT>LEARNING TYPE> YERUSHALMI

Daf View

There will be no Daf view on the All Daf app - we have partnered with Artscroll so that our app shiurim will work seamlessly while viewing the daf on the Artscroll app. When selecting the DAF option while listening to a shiur - you will be directed to the Artscroll app.

If you do not have the Artscroll app you will be prompted to download the app.

This integration is free and no purchase is necessary.

Technical Support

Much time and effort have gone into making this feature as user-friendly as possible and we plan on adding in a lot more features as we progress. With all technology bugs are common and we request that you send in any technical issues, requests and comments to techsupport@alldaf.org
