

Yeshaya Perek 50

- Yeshaya relates rhetorically that there was no divorce document sent from Hashem to Am Yisrael, meaning that it's never too late to do teshuvah and come close to Hashem.
- Hashem certainly doesn't lack the strength to redeem Yisrael.
- Yeshaya related that Hashem had given him the gift of speech in order to bolster up the nation.
- Hashem will defend Yeshaya, His prophet, from anyone who wants to "mess" with him.
- Yeshaya told the nation, "It is fitting to have faith in Hashem and trust in His prophet. For if you do not, you will suffer."
