

Yeshaya Perek 56

- The people who are straight and honest will experience Hashem's salvation.
- "Happy is the person who properly keeps Shabbos."
- Even gentiles who "keep the Shabbos" will be rewarded for believing in Hashem. (This is referring to gentiles who have faith in Hashem.)
- Hashem's House of Prayer will also serve the nations of the world.
- The leaders of Yisrael act like "greedy dogs", following their physical and emotional desires.
- The leaders wrongly seek financial gain and intoxication.
