

Yeshaya Perek 40

Note: This is the haftarah for Shabbos Nachamu.

Yeshaya provides a two-fold comfort to Yisrael. Metsudos and Eben Ezra say that this prophecy refers to our current exile.

Yisrael paid double for their sins throughout their history in exile.

A path will be created for Yisrael to return to Tzion.

Hashem will reveal His Glory for the entire world to see.

The nature of the physical world is to rot and decay. But Hashem's word lasts forever.

Hashem has and will gently and kindly guide Yisrael back to Eretz Yisrael and take care of them.

Yeshaya describes man's insignificance compared to Hashem's greatness.

Hashem will support those who trust in him.
